

## Train, Car Collide In Snowstorm

Newmarket—Clarence Perrault, Elmhurst Beach, was taken to York County hospital after his car was hit by C.N.R. passenger train Number 3 at the Davis Dr. crossing about 12.30 Sunday morning. The 1935 Pontiac sedan which he was driving was badly wrecked and Perrault suffered from cuts about the face, neck and scalp.

According to police, Perrault was driving east on Davis Dr. through heavy snow and a high wind and did not see the warning from the crossing signals. At the tracks, he saw the bright headlights of the train, but was unable to stop. He tried to outrun the train but was a half-second too late and the locomotive hit the car just back of the rear door. The train was able to stop in its own length.

Conductor of the train was Archibald Elliott, Toronto, and the engineer, Charles Virtue, Toronto. Chief Constable Byron Burbridge attended the scene of the accident with Constable Jack Lawrence, York county police. There were no eyewitnesses to the accident.

Perrault played junior and intermediate hockey for Newmarket in the early thirties.

## Hort. Society To Hear Gladioli Expert

Newmarket—L. W. Butt, well known gladioli grower, will be the guest speaker at a meeting sponsored by the Newmarket Horticultural Society in Trinity United church Sunday-school room on Friday, April 9, at 8 p.m. Mr. Butt will show technicolor pictures of his trip to the west coast last summer and also of many beautiful gardens. He has an excellent collection of pictures of his own gladioli as well. Refreshments will be served. A cordial invitation is extended to the general public to attend. There will be no charge.

## PASSES AWAY

Newmarket—Mr. John G. Sargent passed away in Belleville on Sunday, March 21. Mr. Sargent is the brother of Mrs. Mary French, formerly of Gorham St., Newmarket. Mrs. French left town last summer to make her home in Belleville. Her friends in town extend deepest sympathy.

## Suffolk Ewe Bears Quadruplets

Newmarket—There was a rare occurrence at the farm of Alfred C. Marsh, Gorham St., on Easter Sunday morning when one of the Suffolk ewes in his flock bore four lambs with little difficulty. Mother and children are all strong and healthy, and the lambs are running around as lambs should.

The big problem is feeding them, according to Mr. Marsh. Fortunately, another ewe bore a lamb about 5 o'clock in the afternoon. The lamb was taken away from number two ewe who was presented with one of the quadruplets for feeding. After three hours her own lamb was returned and she is now feeding both of them. Mr. Marsh says that not many ewes will stand for this.

Meanwhile, the mother of four is feeding three of her lambs satisfactorily, but he says that she will keep that up for just about a week. On the suggestion of bottle feeding the lambs, Mr. Marsh said it is often done with pet lambs, but it would be a big chore and would call for two to three-hour feeding which would have to go on all night.

Mr. Marsh says sheep are his hobby and his farm is confined to sheep raising only. He has 41 lambs with 8 to 10 to come in yet. Already, he has spring lambs weighing 40 pounds.

In a normal flock, one and a half lambs per ewe is a good average. He said that he has had a ewe bear three lambs before. That is worth noting, but four is rare, he said.

## Well Known In Sports, G.E. 'Pat' Vernon Dies

Newmarket—The town this week mourns the loss of one of its best known sportsmen, George Ernest "Pat" Vernon, who passed away at the Sutton hospital on Sunday after a lengthy illness. "Pat" Vernon coached and managed several local hockey teams in years gone by. He coached the midget team to the Metropolitan league championship in 1922-23. Under his guidance, in the hectic days of the Metropolitan league, were such players as Freddie Murray, "Doc" Ames, Harvey Soules, Reg. Corbett, "Scrooge" Perrault, Sonny Townsley and the Thomas Brothers, Harry, Chuck and Bill. It was no mean feat in those days to annex the Metropolitan league honors but Pat and his charges beat out the strong Thornhill team in the finals. These players were later to form the nucleus of the junior team that reached the O.H.A. finals.

"Pat" Vernon continued to take a keen interest in the kids' hockey welfare until he left Newmarket to take a position on the Welland Ship Canal, then in the process of being completed. After spending seven years at Welland he returned to Newmarket and went to work at Davis Leather Company. He coached and managed the Davis Leather Company Mercantile team which annexed three Mercantile League championships. "Pat" Vernon always had a keen interest in sports and until his illness some five years ago was always ready to lend a helping hand to assist the hockey clubs along.

Aged 64 at the time of his death, he was born on a farm on the northern outskirts of Newmarket, a son of George Clinton Vernon and Sarah Jane Davis. He was a member of the Medical Corps in World War I. He had been ill approximately five years. He is survived by his wife Alice, and two daughters, Dorothy and Gayle. Services were held Tuesday afternoon in Roadhouse and Rose chapel with interment in Newmarket cemetery. Rev. Henry Cotton and Rev. M. E. R. Boudreau conducted the services.

## Send \$233 To Crippled Children

Newmarket—A cheque for \$233.31 has been forwarded to the Ontario Society for Crippled Children by the Girl Guides of Newmarket. This money was raised through the sale in March of 660 dozen donuts and will aid the society in continuing its important work among the crippled children of Ontario.

The Girl Guides greatly appreciated the wholehearted support they received from the citizens of Newmarket in making this "good deed" such a success.

## Easter Band Concert Warmly Received

Newmarket—The band concert in the town hall Easter Sunday evening by the Newmarket Citizens' band was outstanding, every item being played with perfect ease and ability under the leadership of Wm. C. Greig, conductor. It was an interesting and varied program of music with Isha Goodman, pianist, as guest artist. Mr. Goodman could not satisfy the audience who would still be there listening if he had kept answering repeated encores.

The program of band music included an Overture, The Bridal Rose with C. Lavallee, cornet soloist, and Gaiety Polka with Ronnie West as cornet soloist, the youngest member of the band. He still has to see his tenth birthday. Rev. J. T. Rhodes was chairman for the evening and in thanking the performers voiced the hearty approval of the audience. It was a particularly enjoyable evening.

The proceeds, given to the Veterans' Association for their memorial to be erected in Newmarket cemetery, were handed to Rev. Arthur D. Evans who thanked the band warmly for their generosity in a few well chosen words.

## Fire Destroys Gilmour Lodge

The Aurora fire brigade has had a busy week. Last Thursday night they were called to the farm of Maj. Harrison Gilmour, second concession, Whitchurch, where a blaze had broken out in the main lodge close to midnight. The high wind, muddy roads and the headway gained by the flames prevented the brigade saving the log building. While the cause is not determined exactly, it is believed to have started from the oil furnace. The lodge was unoccupied. The Gilmour family being in residence in Toronto and spending weekends and the summer there. Many valuable trophies and works of art were lost. The loss is estimated at over \$15,000.

On Good Friday, the brigade answered three grass fire calls in King township, but no loss was reported by Fire Chief Jones.

On Monday the brigade answered a call to extinguish a chimney fire at Pine Orchard. The loss is reported as small.

## Percy Allin Active In Church

Aurora—The death occurred on Sunday at York County hospital, after a brief illness, of Percy Allin of Mosley St., one of Aurora's most respected residents. A native of Whitchurch township, he had retired from his farm to Aurora ten years ago. Last year, he completed his new residence.

He was a member of Aurora United church, and before that, he had been an official of Wesley United church at Vandon. He is survived by his widow, the former Sarah Ann Atkinson, two children, Fred and Mrs. Herbert Oliver (Hazel) of Whitchurch township, and a sister, Mrs. Alfred Andrews of Aurora. Funeral service was from Aurora United church on Wednesday with Rev. Roy Hicks, Rev. E. C. Moddle, Rev. Garnet Lynd, Downsview, taking the service. Interment was at Aurora cemetery.

## Former Minister Here Has 25th Anniversary

The Congregational church at Otsego, Mich., honored its pastor, Rev. Percy L. Graham, on the celebration of his silver anniversary as an ordained minister at a special service on Sunday, March 7. A reception was held later in the parlors of the church for Rev. and Mrs. Graham where a silver vegetable dish and 25 silver dollars were presented on behalf of the congregation. Many plants, flowers and other gifts were received to make the occasion a happy affair.

Rev. Graham was at one time pastor at Newmarket Christian Congregational church and Mrs. Graham was the former Frances Denne of Newmarket.

## Nature Plays Hob With Town Streets

Newmarket—Nature plays havoc with Newmarket streets every year but this spring is an exceptionally bad one. Frank Bowser, chairman of the council's roads and bridges committee, said that a repair program would be worked out when the frost has gone. Meanwhile the general condition of streets is bad but there is not much that can be done until the frost has left the ground.

The Era and Express did a tour of all the roads with Town Engineer Denne Bosworth on Tuesday and found that Newmarket is faced with a big problem. The worst roads are the unpaved ones and the worst spots are where sewers have been laid recently. One of these is on Crescent Rd. opposite the Sangamo Electric Co. where a sewer was put in last fall and another on Charlotte St. behind the Alexander Muir school where sewers have been put in for three new houses.

Three streets, Main, Gorham and Davis Dr., are largely the responsibility of the county. Main St., the centre 18 feet of which is in the care of the county, has several holes and soft spots. A few days ago road men filled them in with gravel but the next day, they appeared as bad again. Gorham St. has not been affected at all within the town limits but the west end of Davis Dr. is bad.

Frank Bowser said that he thought Main St. did not have an adequate foundation. Mr. Bosworth said that Gorham St. might be on a concrete foundation and that Main St. probably has just a heavy gravel foundation.

The state of the rest of the paved streets is good but the south end of Lorne Ave. opposite the Stuart Scott school is full of holes and between Eagle and Andrew it is soft and muddy. North end of Niagara has dried up but is rough. Strigley St. is very rough but dry. Attempts to fill in the hard bumps are almost useless as the fill is soon thrown out by passing cars. Frost boils are the worst hazards and cause the most trouble, such as the large upheaval at the corner of Main and Millard Sts.

## 'C' Squad. Of Yorks Seeking Recruits

Aurora—The 25th Armored Regiment, Queen's York Rangers, are on the look out for new recruits, and "Your County unit," represented by "C" Squadron at Aurora, urges ex-service men and those too young for the Second World War to join the unit now. Forty-five days with active service pay are now available for reserve army personnel and training in wireless, mechanical and electrical work is being given.

Major James Westhead, M.B.E., the squadron commanding officer, points out that with present world conditions there is a real need for active participation by the young men of today. "None of us want to see war again, or to have to serve our country as we did a few years ago," said Maj. Westhead, "but there is a real job to be done by way of preparedness and the benefits of knowing what has to be done is the best assurance of peace."

Serving as officers with the North York Squadron are Capt. Archie McGinnis of Maple, Lieutenants Fred Rowe and Ted Johnson, Aurora, Al Meads, King, and Bill Williams, Newmarket. Jack Orr, Lansing, is S.S.M., Howard Bunn, Aurora, S.Q.M.S. and sergeants are Henry Starkey, Bill Waite, Syd. Lustin and Dave Judd of Aurora and Bill Sherwood of Lansing. There are about 30 O.R.'s in training each Tuesday and Thursday night and the squadron has been authorized to recruit to the number of 135 men, immediately by N.D.H.Q.

Recreation and social activities as well as the more serious duties are active functions of this new armored unit and recruits will be welcomed and assured of every chance for advancement.

## Mrs. John Morning Buried In Newmarket

May Elizabeth Bell, wife of John Morning, Snowball, passed away suddenly at York County hospital early Friday morning, March 26. She was born on the 4th con. of King twp., the daughter of the late William and Susan Bell. She is survived by her husband, three sons, William, Reginald, Oscar, and three daughters, Laura, Dora and Edna, an only brother, William J. Bell, Fort William, nine grandchildren, two of whom lived with their grandmother (Brenda and Barbara).

The funeral service was held from the residence at Snowball. Pallbearers were three sons, William, Reginald, Oscar, two nephews, Alex and Fred Morning, and Allan Connor. Services were conducted by Rev. C. E. Cragg, Kettleby. Interment was in Newmarket cemetery.

## Veteran, Wife and Infant Live In One Room

Newmarket—There is a veteran in town whose joy in his infant daughter, born in March, is more than tempered by the lack of a place to live. He had given up a good job in Toronto because he and his wife had no place to live and they have been living in one room, a parlor, since he came to Newmarket.

This veteran would like to find two or three housekeeping rooms until he and his family can move into a prospective house which has not yet been completed. Anyone with suitable accommodation to rent, who can help this veteran and his family, can get in touch with Doug May, president of the Newmarket Veterans' Association, at phone number 884w.

## Butter Shortage Still With Us

Newmarket—The butter shortage still exists and from the information gathered from the dairies and stores in Newmarket there is no sign of an increase in supply.

The shortage is a seasonal one. Last year some butter was imported during an early spring shortage. Until the cows get into the fields, housewives will have to use butter sparingly.

## Scout Mothers Plan Tea, Bake Sale

Newmarket—An executive meeting of the Scout Mothers' Auxiliary was held at the home of Mrs. Bert Budd on Monday afternoon. Three representatives will attend the 17th spring conference which is being held at St. Ann's Anglican church, Toronto, on April 7.

The date of the general meeting has been changed to Monday, April 12. This meeting will be held at the Scout hall at 8 p.m. Reports on the conference will be presented by the delegates. A full attendance is requested. Plans were made to hold a tea and bake sale at the Scout Hall on Saturday, May 15.

## Temperance Youth Rally In Toronto Friday

A youth rally sponsored by the closing session of the Provincial Temperance convention will be held in Carlton Street United church on Friday, April 2, at 7.45 p.m. The speaker will be Rev. Sam Morris, "silver tongued orator from the Deep South" and the King's Radio Quintet will furnish the music. The purpose of the rally is to hear what youth thinks of the present liquor situation.

## Fire Destroys Keswick Cottage

Keswick—Fire which caused an estimated loss of \$35,000 destroyed the cottage owned by B. J. Unser, a bakery owner in Toronto, at Keswick Beach on Tuesday afternoon. The cottage was built last summer by James Clark and was one of the most prominent buildings of the beach.

The fire was discovered by Postmaster Bill Purdy of Indianola Beach and was well under way by the time he reached the building. Sutton fire department was able to save a speedboat from the boathouse. An east wind saved neighboring cottages.

## RADIO LICENSES DUE

All radio licenses expired March 31, 1948. Geo. Wales will cover St. George's ward, Wm. LaParde St. Andrew's ward, and W. Curtis St. Patrick's ward.

## All Hydro Restrictions Said Cancelled

Newmarket—All hydro restrictions have been lifted, according to Fred Thompson, chairman of the Newmarket hydro commission. The last cancellation of restrictions came yesterday when the ban made November 10, 1947, on window lighting and advertising and electric advertising signs was lifted.

Over a week ago, the 15 percent power restriction for Newmarket was lifted, but the announcement by the Ontario Hydro Commission at that time stated that they were subject to further restrictions in the event of a shortage again.

## 'No Place For Communism' - Union

Aurora—The National Union of Shoe and Leather workers C.C.L., has issued a press release about some of its aims and policies. The release is signed by Stuart Macklem, president, Percy Preston, president of Local 34, T. Sisman Shoe Company Ltd. and C. Adair, president of Local 27, Collis Leather Company Ltd. The following is the text of the release:

"In view of certain events that have taken place in the sphere of Labor-Management relations in the town of Aurora an incorrect impression of the policies and aims of the trade union movement has been given to the citizens of Aurora. The National Union of Shoe and Leather

Workers C.C.L., in particular Local 27 (Collis Leather Company Limited) and Local 34 (T. Sisman Shoe Company Limited) wish to again iterate their position in regards to the question of labor-management relations and public relations.

"Amongst the various trade unions that make up the C.C.L., the National Union of Shoe and Leather Workers had a record of being consistently anti-communist since its origin. We are also equally against company domination of unions. Our stand has been, that only a democratic, independent union can successfully negotiate with management and protect the interests of its rank and file members.

"Communism cannot be eliminated by attacks on its leaders. It has been banned by the authorities but continues to flourish on discontent, injustice and ignorance. Our policy of developing good will and co-operation between the workers themselves and between workers and management is sound and is bringing good results.

## Housing Project Said Cancelled

Stop press: A letter received by Newmarket from the Central Mortgage and Housing Corp., the crown company building the low-rental houses, late this morning said that the Newmarket project was cancelled. Newmarket is included in federal cancellation order for housing in Ontario and "we are of necessity forced to discontinue our negotiations with you insofar as this (Newmarket) proposed project is concerned," the letter said.

Newmarket—All indications are that the low-rental housing project for Newmarket will be dropped along with other crown housing whose cancellation was announced by Rt. Hon. C. D. Howe. The federal action followed Ontario legislation making the province the final arbiter on housing agreements between municipalities and the crown.

The Newmarket project would have provided 50 low-rental houses for veterans with construction beginning in a matter of weeks.

Mayor Vale said that he had not received any direct word from Ottawa on whether or not the Newmarket project would be continued but a request for final approval of Newmarket project was sent to Ottawa some weeks ago and nothing has been heard since.

There is no reason to believe that an exception would be made of the Newmarket project in the province-wide cancellation of rental housing projects.

One hundred and four applications have been made for the Newmarket homes and arrangements made to purchase the county land west of town on the south side of Eagle St. as a site. If the project is cancelled, a decision must be made on whether or not to purchase the land anyway. There is always the possibility that the county council may insist on its purchase.

The federal housing project requires a fixed taxation as one of its conditions. The provincial legislation enables Queen's Park to nullify housing agreements by withholding provincial public services such as schooling, water and fire protection. "If the project is indeed cancelled as every indication suggests, it means an end to the only solution for relieving the housing problem in Newmarket," Mayor Vale said.

In a statement yesterday, Premier Drew said that the legislation did not apply to new projects but to those brought into existence during the war and which were costing the municipalities in which they were situated a disproportionate sum for the provision of public services.

## 700 From Holland Reach Marsh

Last week 700 Dutch settlers arrived in Canada and another 1,000 should be here in the next ten days, according to Jan Rupke, Bradford, secretary of the committee handling the mass movement. It is planned to bring over 10,000 from The Netherlands, most of whom are settling in Ontario. Mr. Rupke estimated that about a thousand will be settling in the Holland Marsh district by summer.

The new settlers are on a one-year contract as farm help. At the end of their year, they have the choice of renewing their contracts or striking out on their own.

Mr. Rupke said that none of the Dutch comes to Canada unless he has a job to go to. A lot of farmers have the wrong idea, he said. "They hear about the immigrants coming to Canada and want to get one for a farm hand, but the Dutch are all bound for a certain place and a job, or else they wouldn't be in Canada. A farmer can apply to the committee and get a waiting list from Europe in about 14 days to three weeks," he said.

In the meantime, those who come to Canada last fall have set a high standard for those who follow them. According to D. A. Garvie, district supervisor for the community programs division of the provincial department of education, "the Dutch as a whole have made excellent progress." Mr. Garvie should know. Under his direction, a

community night school for instruction in the English language has been operated for the new settlers since October.

With the assistance of Rev. John VanderMeer and his teachers, Miss E. Knapper and J. W. E. Iutvugt, classes in basic English were held two nights a week. The textbooks were provided by the provincial department. The majority of the settlers know no English when they came here but now most of them can speak it well enough to be understood. After the English classes, the teaching of Canadian civics, and perhaps one or two other subjects, is planned. In five years, the settlers may apply for their citizenship papers.

## S.A. Chief Secretary To Visit Newmarket

Newmarket—Colonel W. Dray, chief secretary, and second in command of the Salvation Army in the Canadian Territory, will pay his initial visit to the Newmarket corps Sunday. Col. Dray was recently promoted to his present rank and also appointed by the general of the army to this important position. He has had many varied experiences in Salvation Army work, serving in many phases of army activities. During the last war he was the war services secretary for homeland and overseas and visited every part where the war service of the army was serving overseas. Since the war he has become the national director of the Home Front Appeal as well as head of the immigration department.

Brigadier Ernest Green, divisional commander of the Toronto West Division, will accompany Col. Dray, and with them will be some musical talent from Toronto. The public is invited to come and hear these special visitors. The time of the meeting is 7 p.m., at the Queen St. Citadel.

LADIES' NIGHT  
The Aurora Agricultural Society will hold their annual ladies' night on Friday, April 2, in Aurora high school.

TAKING A COURSE

Miss Doris Oakley, Toronto, was an Easter guest of Miss Audrey Switzer.

Neighbors of Mr. and Mrs. Henry Stephenson arranged a farewell party at their home last week and presented them with a lovely occasional chair and a gold cushion.

Miss Merle Stephenson received a pair of beautiful crystal bedroom lamps and Mr. Jim Staley a nice suitcase. We join with their many friends in wishing them much happiness in their future home.

### POTTAGEVILLE

There was a good attendance in the United church for the Easter Sunday service. Rev. C. E. Cragg took for his text, "We have seen the Lord." The choir under the leadership of Miss Beatrice Proctor sang two anthems, "The Old Rugged Cross," and "Low in the Grave He Lay."

We are glad to announce the birth of a baby daughter to Mr. and Mrs. A. Elder. The child was born on her mother's birthday, Sunday, March 14. Both are doing nicely.

Mr. and Mrs. Fred West and son Wayne, Brownhill, Mr. and Mrs. Ken West, Hamilton, and Miss Kay West, Toronto, spent the weekend with their parents, Mr. and Mrs. Geo. West.

Mr. and Mrs. Y. Rhodes have returned home after spending the winter in Vancouver.

Mrs. Tom Blackburn has returned home after spending a week with her daughter, Mrs. Elberly Weston.

Mrs. H. Mashinter and daughter, Beryl, Mr. and Mrs. M. Mashinter, Milton, spent Friday and Saturday with Mr. Ed. O'Brien.

Mr. and Mrs. Walker and family, Toronto, spent Friday with Mr. and Mrs. Harry Shanks. Mr. and Mrs. Swan, Toronto, spent the weekend with Mr. and Mrs. H. Gould.

Mr. and Mrs. B. Barrett, Toronto, spent the weekend with Mr. and Mrs. Rhodes.

There was a large attendance at the church hall on Good Friday evening to see a very interesting picture put on by the National Film Board.

Mr. and Mrs. Ellerby, Weston, spent Sunday with Mr. and Mrs. T. Blackburn.

### HOLLAND LANDING

Mr. and Mrs. Gordon Hill and Ruth and Bert Kearns spent the weekend at the home of their parents, Mr. and Mrs. J. Kearns. Mr. and Mrs. Kearns and William Kearns spent the weekend at their brother's home, Mr. and Mrs. J. Kearns.

Miss Mae Kearns and friends are motoring to New York for the Easter holidays.

Mrs. Sam White, Linda and Nancy, are spending a few days in Toronto.

It was with deep sorrow the community learned of the sudden passing of Mrs. John Morning, a respected and beloved resident of Snowball.

The regular meeting of the W.I. was held in the Snowball church Wednesday evening with Aurora and Kettleby W.I. ladies as guests. The roll-call, "A description of yours or your mother's wedding dress," was well answered. Miss Harding played a number of violin solos which were greatly appreciated. The lecturer from Lever Bros.

Barbara Gould, Snowball, and Isobel Rodgers, Armitage, spent the Easter weekend with Mr. and Mrs. Ed. Reddick. Mr. and Mrs. Tom Hodgins, Toronto, spent the weekend with Mr. and Mrs. Howard Morning. Mrs. Alvin Ridley spent the past week with her daughter, Mrs. Barnstable, Burlington, and family. Miss Ruth Webb is spending the holiday with Hazel Webb. Shirley Patrick is visiting her uncle and aunt, Mr. and Mrs. Russell Farren, Orillia. Mrs. Bob Bradley and Bobby of Ottawa are visiting the Teasdales. Norman and Bob Teasdale were home from the holiday. Services in the Snowball church Sunday at 2 o'clock and Sunday-school at 2 o'clock for one Sunday only. Special speaker from Toronto, also Mrs. Johnson as special soloist. There will be no Sunday Eve Club this coming Sunday. There will be a box social in

### John F. Watts, Holt, Buried At Mount Albert

John Franklin Watts, Holt, died at York County hospital March 22, in his 58th year, after a lingering heart illness. He was born in Mount Albert, the son of Thomas Watts and Catherine Silver. He married Eva Cupples who survives him with one son Harold, at home. He was a farmer on what had been his father's farm at Holt and was an elder in the United church at the time of his death. Also surviving him are two sisters, Mrs. Ed. Haigh (Lillie), and Miss Daisy Watts of Mount Albert. Funeral services were held at the home of the deceased on Wednesday, March 24, with Rev. W. R. Burgess conducting. Interment was in Mount Albert cemetery.

the church basement April 8, boxes to be auctioned. Proceeds to go to the M. and M. fund. Raymond Marshall is to present colored slides of a trip to B.C. and back through the States.

Many guests visited their parents and friends over the weekend. Among them were Mr. and Mrs. Monroe King and Ralph, Mr. and Mrs. Alex. Marritt, Mr. and Mrs. Byron King, Mr. and Mrs. W. H. Nugent and Bobbie, Mr. Ferris, Mr. and Mrs. C. E. Ryder, Miss Mary Morton, Miss Penny Jane Stork, and many others.

Mr. Joe Hodgins is sporting a new car and tractor. Many fans took in the Sutton and Woodbridge game at Barrie on Tuesday and Thursday night. The ladies are certainly doing some practising for their plays which are in aid of our Scout troop. Watch for this concert which will be in Belhaven on April 23.

Master Bob and Miss Lila Clark are visiting their grandmother, Mrs. J. Clark, Toronto.

Mr. William Henry is staying with his son, Ralph. Mrs. Henry is in York County hospital. We hope a speedy recovery for her. Mrs. M. Clark and son spent a day with the former's mother, Mrs. Ireland, in Toronto.

### PINE ORCHARD

The W.I. will meet at the home of Mrs. Albert Boake on Thursday afternoon, April 8. This will be the annual meeting. Reports will be given of work of the past year. There will be election of officers and payment of fees. Meeting will open at 2:30 sharp. Program will be in charge of the social welfare committee. Roll-call will be "How long have I been a member of W.I.?" A paper on Cancer Research by Mrs. A. Baxter and current events by Mrs. W. Reid will complete the program. Hostesses are Miss Alea Widdfield, Mrs. A. Boake, Mrs. W. Shropshire, Mrs. A. McMillen, Mrs. W. Reid and Mrs. R. Armitage.

A well filled church greeted Rev. N. Rowan at Union church on Easter Sunday. The service throughout was in keeping with the Easter season. Mr. Rowan's message on "The stone cut without hands" was well received. The beautiful basket of flowers was placed by Mrs. W. J. McCallum in memory of the late W. J. McCallum.

Young People's will meet at the church on Friday evening, April 2, at 8 o'clock. Mr. and Mrs. Jonas Shepherd and family have moved to Newmarket. They will be greatly missed in the work of Union church and community.

### MIAMI BEACH

March 25—Congratulations to Mr. Gordon Clark who won a new electric washer in the Irish Night held in Newmarket. He is the eldest son of Mr. and Mrs. James Clark, Miami Beach.

Mr. Oliver King was called down to Toronto March 15 to the compensation board for observation. Mr. King's friends wish him better health in the near future.

We have every indication that spring is here, different kinds of birds, floods and bad roads.

The people have been busy getting their fish houses off the lake before the ice broke up.

Mr. Frank Miller, who has purchased the Renford Sedore Store at Miami Beach recently, is busy remodelling it and getting prepared for an active summer. We all wish him every success for the future.

Many people were up to their cottages for the weekend.

Mrs. Benton is able to be out again. She had her first car ride last Friday afternoon with her sister, Mrs. Jessie LaRue and Jean.

Sunday guests at the home of Mr. and Mrs. Emanuel Miller were Mr. and Mrs. Percy Brown and family of Mount Pleasant, Mr. and Mrs. Ernie Beckett, Toronto.

### RAVENSHOE

The Easter service was well attended despite the change in the weather.

Mrs. P. Boag, Queensville, visited her mother, Mrs. John Hamilton, and brother Alec and family on Sunday.

Mr. and Mrs. Ken Hunter, Guelph, were home for the holiday.

Mr. and Mrs. Harold Bray visited Mr. and Mrs. W. King on Sunday and also called on Mr. and Mrs. Tom Bell.

Mr. and Mrs. Frank Perry's family from Lansing were home for Easter.

Miss Beth Ray, Toronto, spent last Thursday and Friday at the home of Mr. and Mrs. Irvine Rose.

Jack Davidson, Belhaven, is busy making syrup in Mr. Willard Cryderman's bush. We wish you luck, Jack.

Mr. and Mrs. W. Cole, Queensville, and Mr. and Mrs. E. Breen and family visited Sunday at the home of Mr. and Mrs. Ralph Holborn.

Miss Jean Shanks and a friend of Toronto were at Miss Shank's home for Easter.

Mr. and Mrs. Harold Leitch and son of Toronto, also Jack and Doug spent the holiday with Mr. and Mrs. Harford Leitch.

Mrs. French and daughter of Toronto visited at the home of Mrs. French's sister, Mrs. Archie Sedore.

Mr. and Mrs. Irvine Rose and family had dinner Sunday with Mr. and Mrs. Oliver Blizard.

### KETTLEBY

Miss Shirley Ratcliffe, Toronto, spent the weekend with Mr. and Mrs. Carl Black.

Mr. and Mrs. J. M. Hart and small son are visiting in Toronto for the Easter holiday week.

Mrs. Jos. Beatty spent last week in Schomberg with her son-in-law and daughter, Mr. and Mrs. Ken Leonard.

Miss Florence Sykes, Toronto, is visiting her sister, Mrs. Harry Stephenson.

Miss Jean Archibald, Burlington, is spending the Easter holidays with her parents, Mr. and Mrs. John Archibald.

Miss Mary Crichton of McMaster University, Hamilton, and Willison Crichton of Toronto University spent the weekend with their parents, Mr. and Mrs. J. A. Crichton.

Mr. and Mrs. Merrill Johnson and little granddaughter, Roberta Cousins of Brampton spent the weekend with Mr. and Mrs. Harry Webster. Mrs. E. Barradell returned home with them.

Mr. and Mrs. Wilfrid Sloan, Linton, had supper with Mr. and Mrs. Stanley Barradell last Wednesday night.

Messrs. Fred and Arthur Hunt, Toronto, spent Good Friday with their brother, Mr. Robert Hunt, and Mrs. Hunt.

Miss Siena Dick, Toronto, spent the weekend with her grandparents, Mr. and Mrs. Egbert Teinkamp.

A good crowd attended the Baptist Ladies' Aid last Wednesday at the home of Mrs. John Little. Next meeting is on April 21 at the home of Mrs. Elwood Davies.

Mr. and Mrs. "Bud" Campbell and family of Toronto spent Sunday with Mr. and Mrs. Leo Blackburn.

Mr. and Mrs. Gerrit Teinkamp spent Sunday in Toronto.

March 25—The past week has been a very busy one for Christ church members. On Thursday, March 18, a shower was held in the parish hall for Miss Hazel Sharpe and almost every home in the community was represented also a great many visitors were present from Glenville and surrounding district. She received a great many useful and ornamental gifts for her new home, among them, a trillight floor lamp from the members of Christ church Ladies' Guild.

The serving of refreshments brought to a close a very pleasant evening. On Friday, March 19, Mrs. H. Hughey celebrated her 80th birthday. She is one of the oldest members of Christ church Guild, being president and church organist for many years in days gone by. A beautiful bouquet of flowers and cards from every individual member was sent to her, and it is hoped she will spend many more happy birthdays with us. She spent the day quietly with her two daughters and their husbands, Mr. and Mrs. Harry Sibley (Viola), and Mr. and Mrs. Russell Hunter (Gertrude).

March 19 was also the birthday of Miss Hazel Sharpe and all members sent her birthday greetings. Monday, March 22, was the birthday of a very popular Guild member, Mrs. F. Crane, so we gave her a surprise party — all the members who could get there, met outside her home and went in, in a body, only to find she had gone visiting. Fortunately, she was not far away so she went to fetch her, and as she entered the door, we all sang, "Happy Birthday to You." Each member brought refreshments and our president, Mrs. B. Archibald, had made a delicious three-layer birthday cake with pink and white icing. At the close of a very pleasant afternoon Mrs. Archibald presented Mrs. Crane with a beautiful prayer and hymn book, the gift of all the members in appreciation for all the work she does as quilt and flower convener. May she be spared to share many more years of service with us.

We are very sorry to say Mrs. Tom Wilson was not well enough to leave the hospital at the time her family expected her home, and is still in the Western hospital, Toronto. We all sincerely hope she will soon be well enough to come home. Mr. Roy Sharpe came home from York County hospital on Monday afternoon.

## Is Toronto Necessary?

Is Toronto really necessary? That's the question of the Midland Free Press Herald and its answer, given in an editorial last week, is a plain and unvarnished "no". One-third of Ontario's population is crowded into Toronto and, claims the Midland paper, the rest of the province is paying the price of such crowding.

The gist of the Free Press Herald's argument is that Toronto's growth has been economically and socially unsound, that its growth has created problems which in turn have created rising costs in the goods and services the city provides. That extra cost is passed on to the consumers, the other two-thirds of the province's population.

Says the Free Press Herald: "To attract labor to its stores, industries and offices today, Torontonians practice the five-day week, the seven-hour day, the 20-minute rest period morning and afternoon and \$5 more per week. No, it doesn't help the employees. A seven-hour day is still nine hours away from home because of the length of time it takes to get to and from work in our capital city. The five-day week is essential for many because they have no place to house their families in the metropolis and go home to visit mother and children on the long weekends. And for the 20-minute rest period, twice a day, we wonder if even that is sufficient to compensate for the nerve-racking experience of being jostled, pushed and bumped about by the multitudes which jam-pack streets, buses, restaurants, in fact all the city's facilities. As for the extra \$5 per week, Torontonians earn it and they spend it. It actually costs that much more to live in the Queen City than it does in many other urban and rural centres throughout Ontario. And this takes no account of the expense of frayed nerves, inadequate food, insufficient recreation and a host of other ills that plague the city hive-dweller."

"The prices of the goods and services we buy reflect this unsound concentration of population and industries. The resultant higher wages, the lower man-day production, the larger health and recreation bill, the cost of street widening and subways, slum clearance, are all paid for in no small measure by the farmer, the villager and the townsman."

Toronto, says the Free Press Herald, is suffering from an economic, social and educational concentration of the arteries and it is about time a doctor was called in.

## At Least Get The Facts

Our two sports columnists, George Haskett and Ab Hulse, reached the same conclusions in their columns two weeks ago. What Newmarket needed, they said, was an artificial ice plant. Their arguments were similar. Year after year sees local hockey finals either delayed or postponed by the lack of ice, or played in Toronto or Barrie with a resulting loss of revenue to teams and to their hometown.

Newmarket out-of-town games are as definite as flowers in May if Newmarket has a team that gets beyond its group and into the semi-finals for the provincial title. Just as heavy a cost must be charged up in pre-season practices, in time lost for icing, sudden thaws, crowded practice hours and limited ice for the schools. On the balance side is the very obvious fact that all over the county and beyond because artificial ice here would be the only artificial ice between crowded Toronto and crowded Barrie.

The need for artificial ice has been a hot stove topic for years but to the best of our knowledge, no effort has been put forth to determine whether or not it was financially possible. And until that effort is made, the artificial ice debate will continue to be an annual event. At the very least, the advice of engineers with estimates in cost and revenue could be had, and a decision made on the facts.

The town council has shown no interest. Perhaps the chamber of commerce could make a survey of the artificial ice possibilities here part of its 1948 program.

## Bouquets And Brickbats

We received a very encouraging letter from a subscriber the other day in which she said: "Your reporting of the news has been, as a rule, very excellent; on the whole, the paper is very well set up and quite readable." Then after these very welcome bouquets, came the brickbat: "Is that any reason why your windows should always be so dirty?"

Well, there is nothing else to do but admit the charge and plead for mercy on the grounds that the windows have since been thoroughly cleaned and will remain so on receipt of suspended sentence. As a matter of fact, the extensive alterations inside the building have so occupied our time and effort that we have let outside appearances go. We promise not to do it again and to always present a shining face to the public.

## Something New In Fire Engines

Lack of water is a major handicap to effective rural fire protection. Wells are likely to be inconvenient or dry. Pressure is often too low for practical use. Getting water from nearby streams takes precious time and involves difficulties in laying hose. There is always the risk that the pumper will clog, particularly if the water level is low.

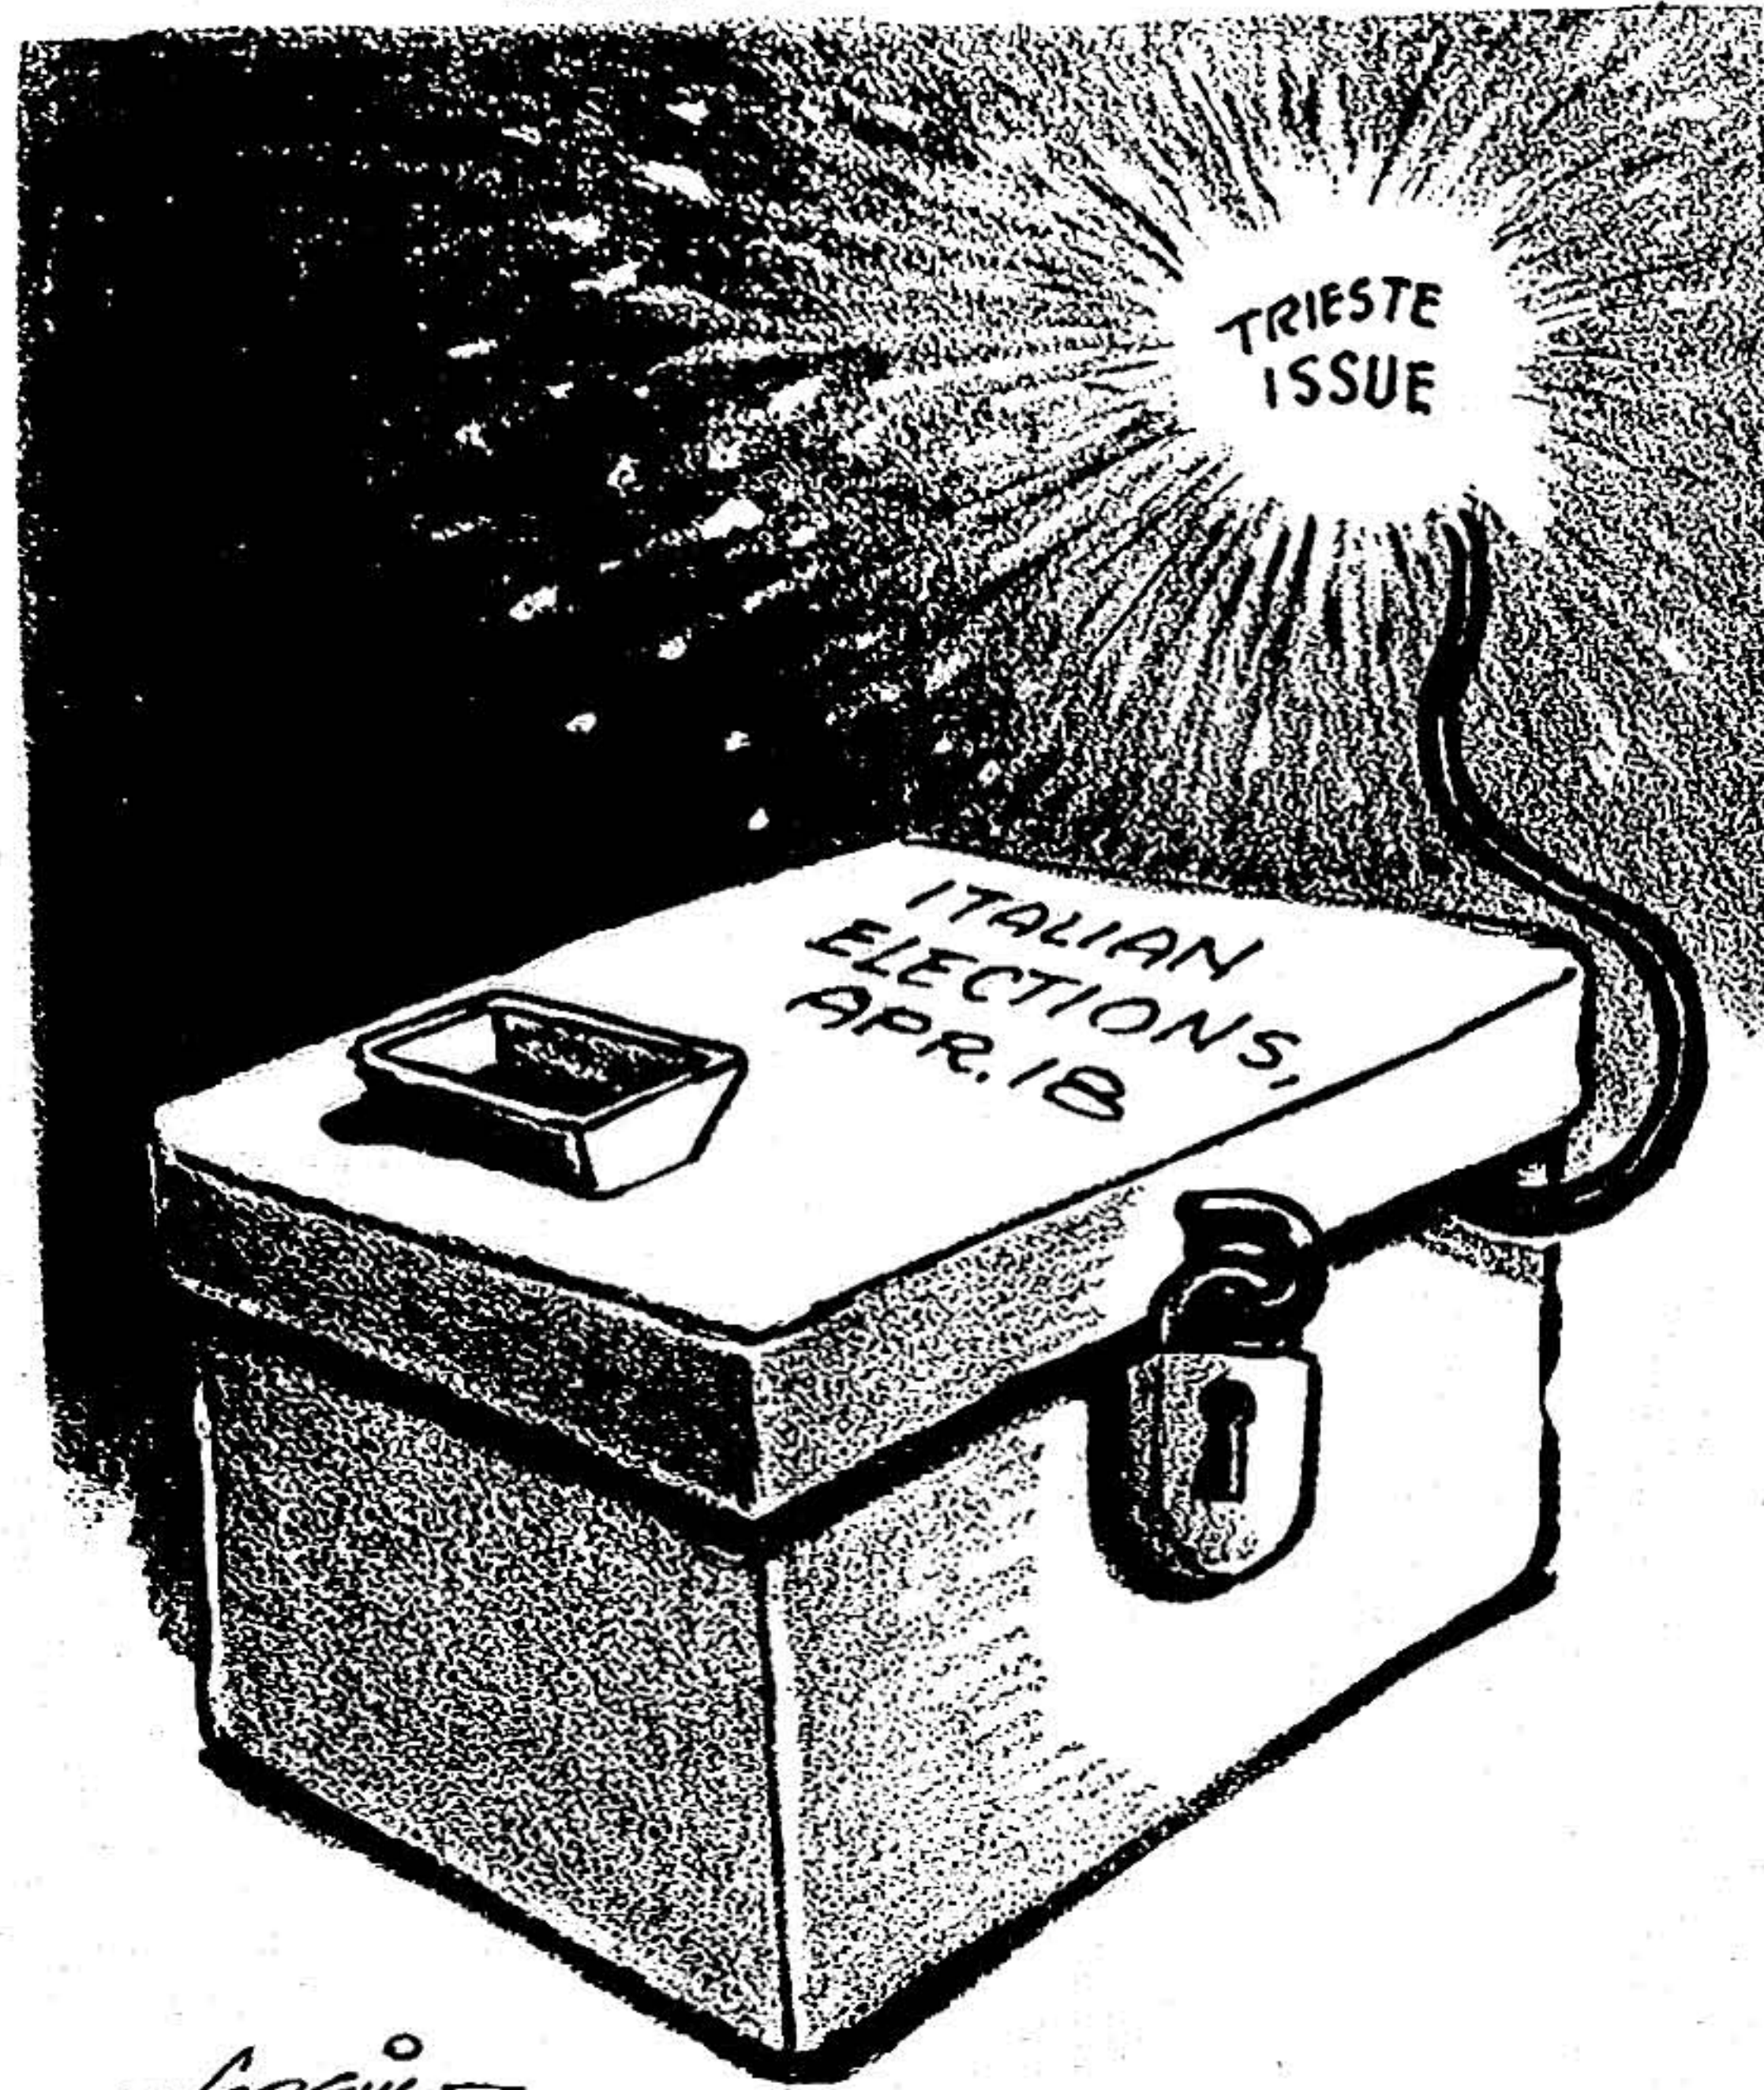

The Newmarket fire brigade has overcome this handicap to a limited degree by its purchase of a new engine which carries with it a large water reservoir. Water can be thrown immediately from the engine while other water sources are being connected. However, the water capacity is limited to 250 gallons. A fire chief in New Hampshire went a step further and with the ingenious use of old tank trucks, created fire engines with water reservoirs of 800 or more gallons. His story may provide the answer for the fire protection needs of small rural centres where the water supply is a doubtful quality.

Mr. John E. Holden is a large fuel oil distributor in Newington, New Hampshire. He is also the fire chief at that centre. Worried about the uncertainty of water supplies for out-of-town fires, Mr. Holden stripped two old tank trucks of their useless gear, mounted heavy duty pumps on them, placed ladders on top and called them fire engines.

When he had added fog nozzles and a wetting agent to the water, he had made it as effective as four times the amount of hydrant water in a steady stream.

The Reader's Digest, which tells the story of Holden's fire equipment, cites many instances where the tankers were effective when standard equipment would have failed. Most dramatic was their use in the fires which swept New England last fall. The tank trucks were used as saving fire engines, able to go into action where needed independent of the usual hydrants, wells and streams.

More than 25 New England communities have adopted Holden's idea. At least a dozen more have placed orders for similar equipment. One of the largest manufacturers of fire engines has put Holden's type of rig on the assembly line. Not only is delivery said to be quicker but the cost of Holden's engine is much cheaper than that of the standard type.

Henrietta is no slouch. But she is not much more than, at the moment.

Henrietta, I think, is toying with the idea of acting out an un-Canadian activity. Not that she is a saboteur or is unpatriotic, but she has been seen out with a Tibetan Mongolian (species of south Soviet tabby) and people would naturally take that as being un-Canadian.

My friend Chumley, down in the city, saw her at the Club Pimpamboo one night with this guy Tinker Chenko, who is employed at a certain Ottawa embassy which I shan't mention, as rat rasher in the wine cellar.

Well, word will get around once it passes the lips of my friend Chumley and yesterday Joe, one of our printers, formed a committee out of members of our back composing room for investigations on un-Canadian activities and marched into the office carrying a picture of the prime minister and started to question me on "the nature of the recent activities of one Henrietta Delrimpe de Cadiz", and even went so far as to question me about me and my activities.

I thought fast and told them that Cadiz was getting material for me for a book which I was writing. I scrambled from the office and hopped the first Rusto fruit truck to the city to look for her and her activities.

I contacted Chum who told me that he last saw her at the museum going through some old records with this Tinker Chenko. I took the next Rusto fruit truck back to town and just as I was stepping into the office, Henrietta came out looking very haggard and morning afterish.

I asked her about the records and she explained it away with something about looking up statistics to do with Great Lakes sturgeons. She said Chenko was interested in the possibility of a caviar industry in Canada. She had heard about Joe's committee and was preparing suit against him for defamation of character. So that's how it stands.

I am worried about Henrietta.

Hey, boss.

I once heard you say something about we should have news that carries the public interest. Why did you "can" that story I wrote about a certain prominent businessman who slipped on

"A cat may look at a king," said Alice. "I've read that in some book but I don't remember where."—Lewis Carroll.

the post office steps and ripped a "12" hole in the seat of his pants? If that isn't public interest, I don't know what is. Any of the public which saw the incident seemed to think it was interesting.

That's the trouble with working on a newspaper. I get a darn good story like that which carries lots of humor, local atmosphere and people which people want to hear about and it goes into the ash can with Junior's articles!

Sometimes I think that I am wasting my time around here.

## Capistrano Swallows Return On Schedule

By GOLDEN GLOW

It is March 20 as I write and on an early broadcast I heard that the swallows of Capistrano had returned, true to tradition, yesterday morning. For 168 years they never failed to appear at Capistrano mission on March 19, St. Joseph's Day, till 1947 when they arrived three days ahead of time. They broke their record last year, but here again appear as usual. It might just have been some of the advance guard who arrived early last year—at any rate here they are back to San Juan Capistrano mission on the Pacific coast about half way between Los Angeles and San Diego, exactly on March 19 and if they line up to tradition they will leave on October 23 on St. John's Day (San Juan).

Twice a year the radio and the press record their coming and their going, giving bird lovers and ornithologists one of the greatest mysteries of nature they ever tried to solve. Do they or do they not winter in Jerusalem? And if they do are the people over there as curious about them as we are? Yes, we all love to hear about the swallows of Capistrano!

Suitor: "I have come to ask for the hand of your daughter."

Father: "Which one, Jane or Helen?"

Suitor: "Jane, sir."

Father: "Do you make enough to support two?"

Suitor: "No, sir. One will be enough."

## Gleanings From Weekly Press

Worth mentioning: At Simmie, Sask., Henry Carleton and four children walked 8 1/2 miles to catch a hockey special train going to Swift Current. . . and at Vanguard, Sask., fire destroyed the theatre, making the third theatre which has burned in that village. . . Martin Morigeau of Cranbrook, B.C., has bagged 36 cougars since November 1. . . a flag pole, 82 feet, is being prepared by a mill in Port Alberni, B.C., destined for the Tower of London, a donation from the Boy Scouts of British Columbia; it will replace the one damaged in air raids in the recent war. . . Dr. J. G. Barrie came down from Winnipeg to associate himself in practice with Dr. R. Inglis at Estevan, Sask., but on arrival went to the hospital and underwent an emergency for appendicitis; quite a reception. . . Four grandmothers of the bride and groom were present at the Weis-Weidner wedding in Durham, Ont.

Apologies from the Huntsville, Ont., Forester, which in referring to a fire in Trinity United church said it was a "smoking inferno." The following week the paper said: "We therefore hasten to detach Trinity church from any suspicion that its high place in the moral life of the community has been impaired by the disaster which recently befell it."

Here and there: A Lancer, Sask. woman, Mrs. R. Patrick, gave birth to a fine baby girl in the cockpit of a two-seater Piper Cub on February 22 while being rushed to Cabri Union hospital; felt no pain and didn't know of the birth until she was being taken out of the plane. Mother and baby are fine. . . Mrs. Regina Tomankiewicz of Shaunavon, Sask., district, walked three miles into town in cold weather to attend the regular sittings of district court at which she was granted Canadian citizenship and presented with her certificate. . . rejoinder at a political meeting; someone in the back of the hall cried: "Speak up, we can't hear you back here." Someone in front turned round and exclaimed: "You're lucky, you can hear my seat!" and credit the Eaton Press with the item.

## Why Decry The Little Red School?

(Stouffville Tribune)

Ontario Department of Education is preaching a doctrine of bigger and better schools, but they do not say much about the cost. After all the little red school house of song and story was ordinarily badly heated and unsanitary. It did have ample space for play, and possessed a quaint rustic appearance. It had something else that we can't clearly explain, but it reflected itself in thousands of students in after years. Many famous men attended the little red school house, and the small high schools that are now being erected by over-enthusiastic men at Queen's Park, who would destroy the best part of rural life, by lifting the high school right out of the rural districts, and at the same time placing them beyond the control of the rate-payers.

## On Second Thought

By The Editor

A SHATTERED HOPE  
(Some Reflections on Listening to the Chatter of Newlyweds)  
Parents-to-be anticipate  
Among joys of raising heirs  
Of all the kids throughout the world  
None will compare with theirs.  
Parents-to-be will quickly find  
Despite this hope of fame  
Though different in shape and texture  
Their yells are just the same.

After the unprecedented success of its trial run, as recorded in this column some weeks ago, we have again borrowed the thought recording machine and this time, offer a transcript of thoughts of an ill-fated traveller of Newmarket's Main St. We tuned in on him as he rounded the curve onto Main St. at the south end.

"So this is Newmarket, hmmm. Nice place. Main St. looks a little narrow although it's wide enough here. I'll go slowly. Whoops. What was that. Felt like the transmission had fallen off. Better stop the car. I'll take a look. Nope. Everything seems to be here. Oh, I see. It was that hole back there. Looks pretty deep. I'll take a look. Boy, this is a regular canyon." At this point, the traveller leaned over the edge and shouted "hello". The echo came back in 20 seconds.

Back in the car: "They ought to rope that hole off. Oh well, it is spring. It always happens in the best of roads in the spring. I'd better go slowly though. Say, the stores look pretty good. Reminds me that I have some shopping to do. Ah, there's a place, I'll just turn in there. Well, didya see that. That guy turned right in front of me. Thief. Robber. Oh well, maybe there's parking space. There's probably a sign further up the street."

"Street's getting narrow. Got to watch it. This is a new car. Wife won't keep quiet if I get a scratch on it after what I said to her when she backed into the garage door. Whoosh. Well look at that. He drives like his fenders were rubber. Slid right by with an inch of clearance. Careful now. Here's another hole. Maybe they mine coal on Main St. Gently now. Well over to the side. Careful. Ah, that's it. Safely by that one."

"Well it looks like we're out of the woods now. Out of the holes, rather. Haha. That's a good one. Wait till I tell the boys. Out of the holes. Haha. Wait a minute. The car's sinking. It won't go. Hey, it is getting dark. Help, help."

At this point there was a blur of static on the machine. We rushed to the window but too late. All that could be seen of the car was its roof and as we watched in horrified silence, it too went out of sight. We'll never know who he was but when the hole in the road is filled in, we bet that the surface will be a lot firmer with a foundation of a 1948 deluxe model.

## PUTTING THE LITTLE DEARS TO BED

It's called the children's hour when the work of day is done and it's time for sleepy heads to set with the setting sun. But there is no greater fallacy nor story falsely told.

Than to say the children's hour is an hour set with gold. First you catch the little devils then try to hold them tight. While you wrestle them to readiness for their covers and the night.

Your head is split by desperate tears, your eyes are blind with tears. As in one last despairing try they grab you by the ears. And even when the lights are dimmed and darkness shrouds the room.

There's sorrow in their fading cry that fills you full of gloom. There's only one thing left to do to drive away the blues. And that's to seek the radio and listen to the news.

## Financial G Men After Tax Dodgers

Canada's tax dodgers had better start taking violent evasive action, writes Ronald Williams in The Financial Post. Canada's little publicized corps of financial G-men are getting the range and bringing down more and more tax chisellers every day.

"The anti-tax evasion guns really began laying down a barrage about a year ago, he reports. The enemy now as then: deliberate, wilful, fraudulent tax jugglers. The taxpayer who makes an honest mistake has nothing to fear: it's the schemer tax crook the government is after."

"To man the new tax enforcement guns, a special branch was set up within the Income Tax Branch during the war. But it didn't pack much of a punch until a year ago. Since then, a small but highly efficient group of specially trained intelligence or 'G-men' have piled up an imposing record of convictions, jail sentences, fines and collections of back taxes."

"Up to last week, 95 cases of deliberate tax conspiracy and falsification had been prosecuted. Only one case was lost."

Mr. and Mrs. Thomas Gardner spent Easter holidays with friends at St. Catharines.

A number of Newmarket Odd-Fellows went to Sutton last Friday and took part in a school of instruction at the Lodge there.

Miss Rose Milliken, Midland, who has been visiting Margaret Walker, Vancor, has returned home.

Local market was small this week with butter selling at 55 cents a lb. and eggs at 30 cents a doz.

Mr. Harry Fleury, manager of the Bank of Montreal, Alliston, has been appointed manager of the local branch here.

Miss Gladys Miller, Newmarket, spent last weekend with her friend, Ina Richardson, Vancor.

On Monday evening the work car on the York Radial Railway jumped the track at the corner of Tecumseh and Raglan streets and the railway men had quite a time getting it on again.

The snowstorm on Thursday evening of last week gave sleighing another short lease on life.

On Thursday night the Trackmen and the Operators on the York Radial had a hockey match at the arena which proved to be great fun for a good crowd of spectators. The Trackmen came out ahead by a large majority.

Keep on your winter undies. May will be soon enough to change. There may be another snow storm yet.

It is rumored that Mr. Morley Hamilton has purchased the old Roe property on the corner of Main and Water street and intends to make considerable improvements on the premises.

"Street's getting narrow. Got to watch it. This is a new car. Wife won't keep quiet if I get a scratch on it after what I said to her when she backed into the garage door. Whoosh. Well look at that. Mr. Howard Cane is home from Toronto on the sick list.

Mr. Wm. Birch wheeled to Toronto on Saturday evening but came home by train on Monday morning. He was the first to the city this season on a bike.

Miss May Brunton and Miss Lella Ross returned from Bishop Bethune College, Oshawa, one week earlier this year on account of chicken pox breaking out in the school.

The crowd in town last Saturday was unusually large for this time of year and prices were satisfactory to the farmers. Eggs were snapped up at nine and ten cents a dozen, butter was 18 to 20 cents a lb. Several lots of new maple syrup were sold at 80 cents a gal. Quite a lot of good-sized suckers were offered at 40 and 50 cents a doz.

Miss Eva Kavanagh, Newmarket, is visiting friends in Queensville.

Several young men went out to Howard's bush last Saturday night and had a big time sugaring off.

Mr. Clarence Pipher leaves on Monday to take a course at Shaw's business college, Toronto.

Last night some chicken thief made a raid on the henroost of Mr. Wm. Williamson, Prospect Ave., and carried off a number of birds. Not long ago the hen house of Mr. Donald Morrison, just adjoining, was visited and plundered.

Local fishermen are already getting out their favorite fishing poles, looking over their assortment of flies and telling about the fish they are going to catch this season.

## Less Than Skimmed Milk

(Bowmanville Statesman)

Ludger Dionne, the Quebec M.P., who flew out a flock of Polish girls to work in his spinning mills, spoke in the House of Commons on March 9 on the high cost of living. He sought to prove that the cost of labor was the big factor in the present price structure. He quoted a cost index which showed wages to be 70 percent higher than in 1929 and blamed extravagance as the cause of the current squawks about food costs. He took one item alone, the consumption of liquor, as an example. Official figures show that Canadians have spent \$2,424,066,033.00 on alcohol since 1939.

It was strange, he said, that people who spent at that rate on a single, superfluous luxury, should complain about butter at 78c. Then he gave this interesting breakdown: Deduct 3c retail, 3c wholesale, 6c factory, 1c trucking and the balance is 60c to the farmer. At 4 lbs. butter from 100 lbs. of milk the farmer gets \$2.40. The average per cow per year is 4,000 lbs. of milk. Thus 170 lbs. of butter returns \$102 per year, or 28c per day. Then he pointed out the huge investment involved.

Pursuing the case further, one could take the average herd at 10 cows and show the daily return at \$2.80. The hired man at \$90 per month gets all this and 20c besides. Pop, Mom and an average of three kids at school appear to get something less than skimmed milk out of this deal and work from sunrise to sunset. And not infrequently a cow drops dead or the whole herd may be condemned for T.B. or other major diseases. This is

quite an argument for an industrialist in behalf of farmers. We hope it will be noted by the Milk Board and the government as a pretty good summary of the position of the dairy farm family.

## Junior Cooks Have Innings At Ex.

Junior cooks will have their innings at the Canadian National Exhibition this year by being able to compete, for the first time, with mother, big sister and grandmother, too! The 1948 junior prize list received by schools across Canada announces baking competition open to all boys and girls, men and women of all ages, with the money prizes going for the best lattice-top raisin pie, best oatmeal cookies, best parkhouse rolls, best birthday cake and a host of other things as well.

And just to make it really easy, Kate Aiken, director, of women's activities at the Ex, sends along with the prize list her suggested birthday cake recipe for grandma and for Bobby.

Other exciting news in the new prize list is the announcement of brand new competitions. They are a back-to-school sweater and skirt contest for girls from 13 to 18, an apron contest for young ladies under 13, a newscaster contest and an orange crate competition.

Young Canadians in one-roomed country schools and their city cousins are invited to work on the same classroom projects. Whole classes, whether the pupils are five or 15, are invited to do themselves proud by working together on murals, clay models, puppets and peep shows and then submitting only the best. This year for the first time, classroom arts and crafts work is not to be entered on a competitive basis. Sent to the Ex for display purposes only, it will present a colorful and graphic picture of children's life and thinking in all parts of the dominion.

The popular junior driving competition, to be known as the Young Drivers' Rodeo, is open to boys and girls under 21 who have either temporary or permanent driving licenses. Public speaking contests will be held as before.

All entries must be in May 15. Prize lists are available without charge by writing the Director, Women's Activities, Women's Building, Exhibition Park, Toronto.

## Holland Mayor Sends Greetings

Newmarket — A message of greetings was received by Mayor Vale from K. Ausma, mayor of Midwolda, Holland, in reply to a similar message sent by Mayor Vale and carried by Mr. and Mrs. T. H. Oosterhuis, Cotter St., on their visit to their homeland in January. It was the first return by Mr. and Mrs. Oosterhuis in 20 years.

Excerpts from the letter follow: "It was a great pleasure for me to receive your letter through an inhabitant of your town who was formerly an inhabitant of my municipality. I highly appreciate this sample of interest and sympathy."

I am very thankful for the kind words you wrote to me and for the good wishes you expressed for my country and for my municipality. Also the favorable evidence you gave of the Dutchmen who are living in your town did me much good. With great interest I read your information about Canada and about your town about which also Mr. Oosterhuis told me several interesting details.

"I can assure you that your country has a high reputation with us in Holland. We shall never forget that our beloved Princess Juliana and her children enjoyed such a great hospitality with you during those anxious days of the war. During the visit which your Prime Minister, the Right Honorable Mackenzie King paid to Holland last year the Dutch people clearly demonstrated that they are ever so grateful for all that Canada did for our Royal Family and our country."

**Touched by Sacrifices**  
"We were also greatly touched by the fact that Canada made such great sacrifices to liberate Holland from the hated German yoke. We are very sorry that during the struggle for the liberation of the province of Groningen so many Canadian young men lost their lives. The inhabitants of my municipality paid homage to those brave men, on which occasion it fell to my share to express the gratitude of the population and the grief and sorrow we felt. I can tell you that our joy about our liberation was much reduced at the thought that your country had to sacrifice so many lives for us."

"I cannot find the words to express how much Holland owes to Canada and therefore our sympathy for Canada is very strong. We shall never forget what Canada did for Holland and what it has been for us. I consider it a great privilege to declare all this to you in such an unsought way. From what I have said till now you see that strong ties of friendship grew between the Canadian people and the municipality of Midwolda. There even grew bonds of love as a few Canadian soldiers chose a life-partner from the girls of Midwolda! You may not have expected that there are so many points of contact between Canada and Midwolda."

**Labor of Recovery**  
"Holland is busy laboring now to recover from the heavy blows it received during the days of war. With much trouble it goes uphill again but the difficulties are almost insurmountable. We anxiously look forward to the help which the Marshall-plan will give us. The municipalities too have a difficult task nowadays. House famine is great everywhere and building is almost impossible for want of materials and skilled labor. The big army which Holland has to keep to protect its overseas territories surpasses far our financial capacity. The economic situation in the municipality of Midwolda might be worse. Its population lives chiefly on agriculture; it has a few prosperous industries too. However the high taxes and the high cost of livelihood weighs upon the standard of living. But we regained

our national liberty thanks to the help of your countrymen and we should not complain.

"My dear colleague once more I thank you heartily for the best wishes you expressed for my country and my municipality. In return I send you my best wishes for Canada and its people and especially for your town and for you yourself. I sincerely hope that the ties between our countries and their peoples in future will grow stronger and stronger for the welfare of our two nations."

## Canadians Said 'Service Mad'

(Smith's Falls Record-News)

We heartily agree with that top ranking farmers' publication, The Farmers' Advocate, when it says, the people of Canada — of this continent in fact — are service mad. Consumers must have goods delivered to their doors just when they want them. Even rural people are demanding services that would have appeared outrageous to a previous generation 25 years ago. This craze reached its peak before the war when it was not unusual for a drug store to get a telephone call asking for delivery of a package of cigarettes or a postage stamp.

The middlemen (or middlewomen, if you wish) are not parasites. They are performing a legitimate though, not always useful service. No matter what machinery is created to take farm products from the farm to the consumer's door, the distribution will cost something. Farmers can expect only a percentage of the consumer's dollar because of this distribution cost; but they can always expect more when the distribution is short of all unnecessary service frills. And these frills are not always on the consumer end of the distribution. In a good many cases these will be found all the way along the road from the time goods are loaded at the farm until they reach the urban table.

## St. Paul's Services Well Attended

Newmarket — All the three Easter services at St. Paul's church were well attended and the special service for the children in the afternoon when they brought their Lenten self-denial boxes to be presented was also well attended. All shut-in or sick persons in the parish will receive a private celebration of the Holy Communion this week. If anyone has not notified the rector and wishes a private service, please phone as soon as possible so that no one will be overlooked. Phone 240, the rectory, or get in touch with Mr. Rhodes personally.

Members of the Parochial Guild are meeting this evening to make final arrangements for their spring tea to be held in the parish hall Friday, April 2, when they hope to meet all their old friends and many new ones. Every effort is being put forth to make it a particularly enjoyable occasion.

Mr. L. R. Willis, Newmarket, divinity student at Wycliffe College, Toronto, gave the sermon at the Easter evening service. Mr. Willis is a very fluent speaker and his address Sunday evangelist was greatly appreciated.

Next Thursday, April 8, is the monthly devotional and business meeting of the Woman's Auxiliary when the rector will continue his talk on the Study Book for the year "One Family".

## KETTLEBY

The monthly meeting of the Kettleby Women's Institute was held at the home of the president, Mrs. Norman Greensides, on Thursday, March 25, with most of the members present. Mrs. Schmidt and Mrs. Carson were welcomed back with their baby sons. Among the visitors were Mrs. Howard Black with her twin daughters, and Mrs. Carl Black with her new son, so there was a good showing of young Canadians.

Mrs. West read a letter of thanks for parcels of food and clothing from the family in England which the Institute adopted some time ago, and to whom parcels are sent regularly. Mrs. A. Farren gave a good report of the recent meeting of district directors. A demonstration of hair dressing was given by Miss Mae McCluskey. Mrs. P. W. Ball gave two readings. The highlight of the meeting was the inspiring talk given by Miss B. Reynolds on "The art of living peacefully with all nationalities."

She said if we could only understand we are all alike in wanting love, a sense of being wanted, happy homes, security and a chance to make a decent living, with no thought of being superior, but all using our different gifts for the good of all, we could make our Canadian Citizenship something worth living for. Let us greet our new citizens with the hand of fellowship and do our best to understand each other, remembering we are just people with the same basic needs, she said. While the refreshments were being prepared, each one present was given a piece of white cloth with a needle threaded with red cotton and told to work a pig without drawing an outline. It was real fun to see all the different kinds of some long and lean, others round and fat. A prize was given for the best, won by Mrs. Cook.

The Institute has a good travelling library. Any member of the community may borrow these books free of charge from Mrs. Grace Burns, secretary, W.I.

## Young Hopefuls

By DOROTHY MUIR BOWMAN

Sandra is eight years old and has been having nightmares for the past five years. There was an incident in Sandra's life at the age of three that might have some bearing on the subject. It is known that she was badly frightened at that time. On this particular night, after she was asleep, her mother and father left her in the care of a young lady Sandra had never even seen before. Sandra so seldom awakened during the night that her parents thought she wouldn't on this night. Besides, they never thought she would be afraid of the lady in charge.

However, Sandra did awaken and she was terrified of the strange lady. After that night Sandra found excuses for not going to bed, has tried to get her parents to stay home, and has been desperately fighting sleep. If there was a way to help Sandra have happy thoughts all day and stop harboring fears of the past and anxieties for the future, her nightmares would probably cease.

No child should ever be left alone in a house at night and subjected to the fright of being deserted in case he does awaken. It's not much less frightening to awaken and find a perfect stranger in attendance. Sandra isn't the only child who has suffered for years with bad dreams or nightmares as a result of such an experience.

Some children are simply afraid of the dark and should be talked into overcoming that fear before asked to sleep in total darkness. Be sure, of course, they don't want light for the purpose of better amusing themselves and postponing sleep.

In some instances, children cease having nightmares after their tonsils and adenoids have been removed. It seems they were so poisoned that their nervous systems suffered. Some adults maintain that sleeping on one's back causes dreaming as well as snoring. Others have found that easily digested foods at supper time are helpful for sound restful sleep. A regular routine, plenty of fresh air and outdoor exercise are also conducive to sound sleeping.

In any event, if a child persists in nightmares a doctor should be consulted just in case there is some condition undermining the child's nervous system.

## KETTLEBY GIRL

WEDS SATURDAY

On Saturday, March 27, the wedding took place at her home, of Mr. Roy Sharpe's youngest daughter, Hazel, to Mr. Gerrit de Vries. The service was conducted by Rev. F. V. Abbott.

The room was beautifully decorated with antirrhinums. The bride entered the room on the arm of her father, who gave her away. She wore a lovely pale blue crepe gown with halo hat trimmed with orange blossoms and a corsage of white sweet peas and pink carnations. Her bridesmaid was her sister, Clarice, who wore turquoise blue crepe, with corsage of sweet peas and pink carnations.

The groom's mother wore a royal blue dress with a corsage of sweet peas and pink carnations. The best man was the groom's brother, Bernard. Two features of the ceremony were the wonderful archway with a huge wedding bell, and the beautiful hand-worked rug of white with a pink rose in centre, on which the bride stood.

The wedding music was played by Mrs. Harry Sibbey, who had also played the organ at the wedding of Hazel's parents when quite a young girl in Christ church, Kettleby. Only the immediate families of the bride and groom were present.

Mrs. Aubrey Doan and Miss Webster took charge of the wedding breakfast which was served in the dining-room. The table was charmingly decorated with pink and white candles and pink sweet peas and antirrhinums with the two-tier wedding cake as a centerpiece.

The bride and groom left early for a short honeymoon in Toronto. On their return they will live in the lovely modern home the groom had built on the townline.

TO TAKE SERVICE  
Aurora — Rev. Canon W. G. Nicholson, rector of St. Clement's church, Toronto, will take the morning service on Sunday at Trinity Anglican church.

## Mental Health In Children

The following is the condensed text of an address on "mental health as it pertains to the child" by Mrs. Dorothy Bowman at a meeting of the Newmarket Home and School Association.

Mental health refers to the mental attitude, the outlook on life. A healthy mental attitude is the happy, optimistic outlook with a sense of humor, a constructive thinking policy as opposed to the pessimist who is opposed to life.

A healthy state of mind in a child is revealed by his co-operative attitude and friendly, happy associations with classmates. His personality reveals the state of his mental health. It is the responsibility of parents and teachers to develop the child's personality, helping him to learn self-reliance, independence and the assumption of responsibility. Many delinquents are pampered children. It is only common sense to teach children to stand on their own two feet. It is every child's right to be developed to the extent of his capacities.

Fear is the main factor that interferes with a healthy mind, not the healthy fear of danger, but the fear of the unknown. The child who feels secure is not troubled with these fears.

Trying to improve mental health in children is important because personalities of adults are determined in childhood;

mental hygiene is a pressing problem in Canada today. There are about 200,000 mental defective, 250,000 with nervous disabilities, over 100,000 epileptics and thousands of criminals according to Dr. Clarence Hinks, founder of the National Committee of Mental Hygiene.

It is within our power to help our children by giving them large doses of affection, security, the feeling of belonging and the approbation of their comrades and adventure which they need to enable them to form healthy minds. The child must feel liked and wanted. He must have a happy family atmosphere, happy associations, plenty of sleep and a proper diet to help him feel secure. The child should be included in family affairs so that he feels that he belongs, he will gain the approbation of his comrades if he respects the rights of others, displays good manners, earns his place by achievements and will enjoy adventure if he is allowed privileges in accordance with his ability to assume responsibilities.

Improper methods of discipline probably do more injury to the child's mental health than any other single factor. The child must feel that the punishment was fair and due him. We must do our best to keep our minds in a healthy condition since all we are and all we do springs from our minds.

**Has Picnics, Memories**

By **GOLDEN GLOW**

With the very first touch of spring, our minds fly to picnics. It is getting closer every day but what a long, long, cold winter we did have. The other day the sun was shining warmly as a friend was leaving my home and she said "you will be sitting in your sunroom again soon now," so I said to let us see what it was like in there. It was so warm we just sat down again in there and had another visit and enjoyed the sunshine.

Naturally our thoughts turned to summer outings and picnics. We discussed early spring and summer picnics like one held in your own backyard or if anyone likes the out-of-doors, but hates the thought of roughing it, there is the porch picnic. No doubt you can get one of your menfolk to attach a wire from the porch light if there is no plug-in handy and have your electric plate there to make a cup of tea or coffee and then attach the toaster to get some toast. You can have a sandwich spread ready in the frig to spread on the toast.

If you have no outdoor plug-in on your verandah you can still have what we used to call a "nose bag party", the kind we used to have in old high school days when we went with our science master for a practical botany lesson in the woods. We each carried a little packet of sandwiches and cookies and a banana or orange or apple, slung over our shoulder. Just who invented the idiotic name I can't imagine but it did seem to suit the occasion. "Nosebag", doesn't it give you a picture in your mind's eye of a horse with a sun-bonnet to protect it from the hot sun and a long, wobbly nose-bag hanging from its neck, munching away so contentedly?

Now look at that—I wander away off my subject and start day dreaming or reminiscing or looking backward. Now those two words "looking backward", do take me back to my teen-age chums, when we once got up an amateur concert and invited our friends for audience. There was a book called Looking Backward written by a man called Bellamy so for one of our items on the program (oh yes, we wrote out programs, too!) was the Bellamy Quadrille. It was a great secret and we kept it for our "grand finale" and it brought tears of laughter to everyone who saw us. For we had sun bonnets on and our long hair (oh yes, it was in the days of long hair and long skirts) and our hair over our faces. And we danced through that quadrille so sedately and so solemn with everybody laughing their heads off, for you see it looked as if we were doing it backward. I expect we did look too funny for words! I couldn't see myself but I could see the other seven and to see them going through the quadrille backwards from all appearances was great fun! For an encore we danced Sir Roger de Coverley and that was just as funny!

Well look at that, and I started to write about picnics, but I can't do that another time. It's early yet to think of parties out-of-doors. But young people do certainly enjoy al fresco meals and it's none too early make a few plans and have a few ideas worked out in detail for a picnic is a failure or a success just in so far as it is planned ahead to cover all contingencies, for one seemingly unimportant item can spoil the whole outing to a large extent.

Well! I'll come back to this subject later. The porch picnic, the backyard picnic and the "nose bag" can be my topic for another article. I can't seem to bring myself back to the subject I started on—I keep chuckling to myself over the memory of old days, long forgotten. Maybe some of my schoolmates will recall our Bellamy Quadrille and chuckle about it too! That's the beauty of living in your old home town, you can share precious memories with so many others.

**LIFE can Begin AFTER 40, IF.**

Around 40 our energy lessens. But, experience has taught us to do our work with less effort. The years ahead should yield the greatest accomplishments, the most enjoyment and happiness. They can, too, if we avoid the kidney and bladder disorders such as Backache, Headache, Rheumatic Pains, Lassitude, Loss of Sleep and Energy which so often attack those around 40. For over half a century Dodd's Kidney Pills have been helping men and women to keep kidneys and bladder in good order. If you are nearing 40, or past it, for the sake of your health and a happier future use Dodd's Kidney Pills today!

**GREAT DAYS**

There are four days in the history of this strange old world of ours that stand apart because of their mystery, beauty, sorrow and gladness. Their impact is world-shaking because it has gathered power through the years, and as each of these days comes round its significance strikes with greater momentum. Christmas Eve with its hush of expectancy as if the very air was tuned to catch the heavenly harmonies; Christmas Day with its glad surrender to the joy that a Saviour is born into the world; Good Friday when the world's tragedy was enacted around that Saviour; and Easter Day when the hope of the world was reborn to live forever in the hearts of men and to promise even in these chaotic days a rock whereon to build a new and better world.

Good Friday has had an increasing observation through the years. It was not always observed by the Roman Catholic, the Anglican and Lutheran churches, but now the whole Christian world lives and suffers, in however a small measure, with their crucified Lord.

**Choral Presentations**  
One of the beautiful things that Good Friday brings us is the presentations by choral societies and choirs of "The Crucifixion" and "From Olivet to Calvary." They bring home to us the whole scene with its terrible implications — the Son of God delivered to Pilate by the very men who should have led their people to Him.

I could never believe it was avarice which caused Judas to betray Christ—rather the longing to see Him display his power and take what he — Judas — thought was His proper place in Jewish history — conqueror of the Romans and King of Judea. Caiaphas and Annas, terrified that they would lose their power if Jesus assumed his, and Pilate, not a Jew, willing to save Jesus if he could do so without endangering his favor with Caesar. I sometimes think we lose sight of the fact that Jesus said to Pilate, "He that delivered me to thee (Caiaphas) had the greater sin."

My husband and I went on Good Friday evening to Trinity United church to hear Stainer's "Crucifixion," presented by the Newmarket Music Society under the baton of Isha Goodman and accompanied by Herman Fowler. In spite of pouring rain, which somehow seemed appropriate to Good Friday, as if, as on that

first tragic day, nature suffered with her Creator. The church was filled with reverent and appreciative listeners. An arrangement of God Save the King by Villiers Stanford, Mrs. Leonard Little, soloist, was sung followed by a group of three piano numbers played by Isha Goodman: "Jesu, Joy of Man's Desiring," "Toccato and Fugue," and "Arioso." These were played in a way that showed Mr. Goodman a master of his art and were greatly appreciated by the audience as their attention and applause indicated.

Mr. Walter Stephens announced "The Crucifixion." The soloists, John Williams, tenor; Terry Doane, baritone; and Kenneth Morton, bass, were excellent and reverent in their parts. The chorus showed the superiority of their training and their response was sympathetic to the baton of Mr. Goodman whose conducting, by the way, was a pleasure to watch.

The only fault we could find on discussing it afterwards was that at times, with both soloists and choruses, we missed words—whether this was the fault of articulation or acoustics — we could not tell.

The accompaniment throughout was beautiful forming a fine tapestry against which solos and choruses stood out well.

There was one number we would love to have heard unaccompanied "God So Loved the World"—perhaps because when we sang in it, it was unaccompanied and one sticks to one's own traditions. However this was a small matter and we all left with a feeling of having been lifted for a while above the frets and troubles of everyday into the atmosphere of the wonder of a love that could die for a world that rejected it.

**Easter Day**  
Clear and cool and bright it dawned, as if to emphasize the fact that after the tragedy of Good Friday, hope lived again—and lives forever. It was an inspiring thought that in spite of the cloud of doubt, distress, fear and violence which overhangs the world, Christians everywhere — more than six millions of them—were gathering to celebrate the Resurrection of the Light of the World, and our hope of Immortality.

As we joined in the familiar hymns and heard again the story of the Resurrection, it was wonderful to think that in great cities and tiny villages in remote corners of the earth, in many

**Homemakers' Exchange**

Hello Homemakers. This week we have three recipes for muffins which we know will receive a warm welcome at whatever meal they appear. Served hot with butter melting into them they will add variety to plain simple menus.

**PLAIN MUFFINS**

1½ Cups flour  
½ Tsp. salt  
4 Tsp. baking powder  
1 Tbsp. sugar  
¾ Cup milk  
2 Well-beaten eggs  
¾ Cup melted shortening  
Sift flour with salt, baking powder and sugar. Combine remaining ingredients. Add all at once. Stir just until dry ingredients are moistened but not smooth. The batter will be lumpy. Fill greased muffin pans 2/3 full. Bake in hot oven (425 degrees) 25 minutes. Makes one dozen.

**CORN MUFFINS WITH CHEESE**

1 Cup flour  
½ Tsp. salt  
¼ Cup sugar  
1 Cup corn meal  
2/3 Cup grated American cheese  
1 Cup milk  
1 Well-beaten egg  
2 Tbsp. melted shortening  
Sift flour with salt, baking powder and sugar. Add cornmeal and cheese and mix. Combine remaining ingredients. Add all at once. Stir just until dry ingredients are moistened but not smooth. (The batter will be lumpy). Fill greased muffin

tins 2/3 full. Bake in hot oven (400 degrees) 25 minutes. Makes one dozen.

**WHOLEWHEAT MUFFINS**

1 Cup white flour  
1 Cup wholewheat flour  
2 Tbsp. sugar  
¾ Tsp. baking soda  
1½ Tsp. baking powder  
1 Egg  
1½ Cups sour milk or buttermilk  
2 Tbsp. melted shortening  
¾ Cup raisins  
Sift dry ingredients together and return bran to mixture. Beat egg. Add milk, shortening and sifted ingredients. Mix only enough to dampen flour. Fill greased muffin pans 2/3 full. Bake in hot oven (400 degrees) 25 minutes. Makes one dozen.

Guest cook of the week is Mrs. Caroline Edwards who sends the following recipe:

**GINGER COOKIES**

1 Cup shortening  
1 Cup brown sugar  
1 Cup molasses  
1 Tbsp. ginger  
½ Tsp. pepper  
1 Tsp. soda in 1/8 cup hot water. Enough flour to roll — approx. 2½ cups.

# Maple Breeders Mark Growing Membership

Climaxing a series of local meetings in the adjoining counties, the annual meeting of the Maple Cattle Breeders held at the Maple March 22 brought out a record attendance of 160 which taxed the Masonic Hall to capacity. President G. W. Keffer, Maple, presided for most of the meeting assisted by his vice president, Norman Porter, Thornhill.

In his secretary's report, J. M. McDonald pointed out that the membership of 282 which jumped to 685 in 1947 is still increasing at over 20 a month, not to mention those representing new breeds or additional counties. Of the total membership he stated 84 percent do not own a bull at all. In presenting the financial statement, he stated that a firm of chartered accountants had been appointed at the last annual meeting as auditors and all property including the bulls were being depreciated and he showed a break down of the five dollar service fee paid for the 6,896 cows bred in 1947.

The president reported that following an interview with the executive, delegations from the counties of Peterborough and Victoria are conducting a canvass in these counties now with a surprisingly good response. Agreements from approximately 100 breeds and 1,000 cows each by the Ayrshire and Jersey breeders were presented by Andrew Stewart, Bolton, fieldman of the Ontario Ayrshire, and W. M. Cockburn, Newmarket, secretary. Both were given assurance that batteries of bulls of these breeds would be secured within the next month or so.

W. P. Watson, livestock commissioner for Ontario, spoke briefly of his appreciation of the work being done by the unit and offered a few suggestions for the future of the association. With the growth of the work a part time secretary can no longer handle the affairs so the directors appointed G. W. Keffer as secretary-manager. Mr. Keffer, one of the founders of the unit, has been president since it was organized and has given a great deal of time and thought to it. A popular young businessman, well known throughout the district, Andrew Snider, Maple, has been appointed as treasurer and assistant secretary to take over from Mr. McDonald as soon as the office and laboratory adjoining the new barn are completed. The barn will have 16 box stalls and already is likely to be inadequate to accommodate all three breeds.

In the election of three directors for the three-year term Harry Walker, Newmarket, was re-elected for York, Walter Haliday, Columbus, for Ontario county and Alvin Snider, Brampton, for Peel county. The other directors with incomplete terms are Norman Porter, Thornhill, who was elected president, R. J. Darlington, Maple, elected vice president, Fraser Gee, Gormley, Russell Rowntree, Woodbridge, all of York county, Ralph Robertson, Stroud (Simcoe county) and Frank Stark, Milton (Halton county). J. M. McDonald was re-appointed secretary-treasurer until the new appointees, Messrs. Keffer and Snider, can take over.

## QUEENSVILLE

A special meeting of the Women's Institute will be held on Wednesday night, April 7, at the home of Mrs. R. Leadbetter to discuss "Better planning of farm homes". All members make an effort to attend and bring your ideas and plans with you.

Among those home for the holiday were Jean Cunningham, Audrey Eves, Emma Doane, Don Huntley.  
Mrs. Gordon Rowe and Ann spent the weekend with Mr. and Mrs. Frank Rowe.  
Mr. and Mrs. J. Aylward and Miss Mary Marsh, Toronto, were guests of Mr. and Mrs. B. Aylward over the weekend.  
Mr. Elmer Stickwood was at his home this weekend.  
Miss Ruth Stickwood spent the long weekend at the home of her parents, Mr. and Mrs. E. Stickwood.  
Mr. W. D. McClurg visited the Stickwood home Sunday.

## W.M.S. Meeting

The regular meeting of the W.M.S. was held at the home of Mrs. G. Stallbrass on Thursday, March 25. Mrs. Albert Millen, the president, was in charge of the meeting. Mrs. F. Rowe took the devotional part of the program and Mrs. Sydney Thompson spoke on "Our task and a challenge to the women of today". Buying of material and sewing for the bales was discussed and arrangements made for the special Easter thankoffering service which is to be held in the United church on Thursday, April 8, at 2:30 p.m. Mrs. H. H. Spratt will be the guest speaker. Mrs. M. Hamilton, Toronto, and the ladies of the W.M.S. of Keswick will be present. Everyone is welcome.

## Queensville Church Services

Easter day at Queensville saw the homecoming of members of many families, bringing visiting friends with them. Many of these attended the Easter day celebrations at Queensville United church where a special program of 50 lantern slides in color were shown to the 10 o'clock Sunday-school. At 11 a.m. the Easter service began. Memorial flowers graced the communion table remembering a beloved mother, Mrs. James Aylward. The Queensville choir, conducted by Mrs. J. L. Smith, sang in Joseph's Garden and Cabel Simper, Break Forth into Joy, with Mrs. R. Arnold and Mr. Terry Doane taking the solo parts. Rev. Albert E. Millen, B.Th., gave the Meaning and Message of Easter from the challenging text, Awake thou that sleepest—rise from the dead—and Christ shall give thee light! Three young girls were confirmed to membership in the church, Edna Skinner, Shirley Cole and Joyce Leadbetter.

The Young People conducted the evening worship assisted by the president, Mr. Ivan Gordon, and Ann Cunningham. Mr. Gordon spoke on "The Meaning of the Cross". The Young People presented the religious drama, Joseph of Arimathea, with Mr. Clare Eves as Joseph, Ivan Gibson as Nicodemus, Ray Leadbetter as the Roman centurion, Marion Eves as Esther, Evelyn Smith as Anna, Wesley Morton as the page, Margaret Morton as first lady and Louise Morton as second lady, Mr. Fred Glover as Joash. The Easter story was beautifully told in costume and picture with good expression and acting. They are to be congratulated with the excellent results.

The hymns were shown in technicolor and the stoning of Stephen, Paul's conversion, were graphically seen in moving pictures with sound effects. The story of the good Samaritan followed with a modern responsibility brought home in Tomorrow's Citizens. The evening closed with Abide With Me. Mr. G. DeWitte, National Film Board, and Mr. Tice, Newmarket, were the visiting movie and sound technicians. This Easter day will be memorable in the history of Queensville. The Young People are encouraged to sponsor the more expensive films and will do so at a later date.

Mrs. Elliott and daughter visited her mother, Mrs. Robt. Stiles, during the weekend. Several culverts have been washed out recently making travel inconvenient for several days.

Glad to report Mr. Robt. Leith and Mrs. Wm. Greig are improving in health.  
School children will be able to enjoy a holiday till Monday, April 5.

## Guernsey Breeders Elect C. A. Cathers

Meeting at the Maple Villa, Maple, March 23, Guernsey breeders from York and Simcoe counties formed the York-Simcoe Guernsey Club, affiliated with the Ontario Guernsey Breeders' Association. Those present, numbering 40, heard Carl Ellis, president of the Ontario Guernsey Cattle Breeders' Association, and Dr. A. R. Campbell, secretary of the Canadian Guernsey Breeders' Association, speak briefly and extend greetings from their respective organizations at the same time expressing the belief that Guernseys were increasing in popularity in Ontario and Canada.

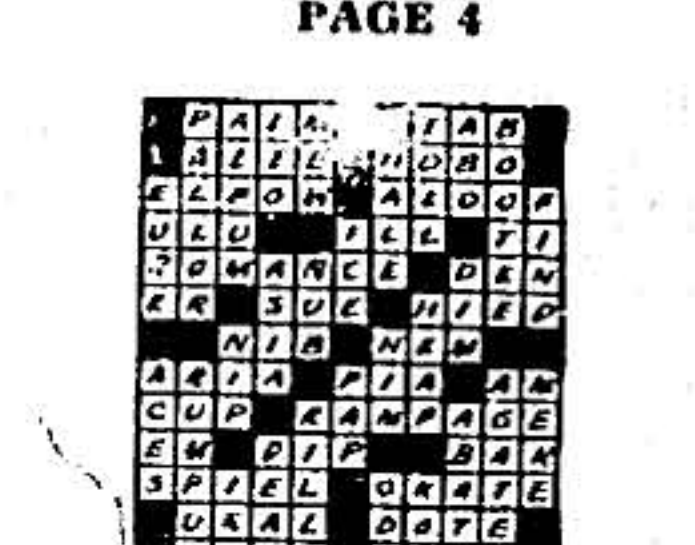

Following a resume of calf club organization work by W. M. Cockburn, agricultural representative for York, Bruce Hodgins, Ontario Guernsey field secretary, outlined the plans of his association for 1948 which included calf club encouragement, support of fairs and means of increasing the sale of golden Guernsey milk. John McMechan, manager of Donlands Dairy, spoke briefly on the possibility of quotas and offering support of an advertising campaign for Guernsey milk.

## Growing Interest Seen In Jr. Farmer Work

Interest in boys' and girls' club work is again showing strongly throughout the county, according to Archie McKenzie, assistant agricultural representative at Newmarket, who states that plans are under way to organize calf clubs at Woodbridge, Markham, Schomberg and Sharon with grain clubs at Markham and Woodbridge. Mr. McKenzie is visiting a number of interested boys these days and suggests that anyone wishing to join these worthwhile projects drop him a line.

The girls' Garden Club work, which will be under the direction of Miss Lulu Row, home economist, is being given an added boost this year. Agricultural Representative W. M. Cockburn announces that the North Toronto Kiwanis Club, in addition to again offering to provide the prizes, also wishes to entertain all members completing their project at one of their regular luncheons in October following a visit to some of the landscaped estates in Toronto. One of the Kiwanians, who is a landscape architect, has also offered to give the second and third-year garden girls instruction along that line.

## ANSWER TO PUZZLE ON PAGE 4

**BROWNHILL**  
March 25—The main topic here is roads and some of us are beginning to wonder what the word means. The roads are the worst they have ever been since the days of the corduroy when at least you had a chance. But then there were no cars. We are really in a bad way. No bakers or milkmen. All the ditches and land are flooded. Most of us need a helicopter—you know, one of those planes that don't need a 50-acre field to take off from. Well, it sure is a good time to tear the house upside down and do housecleaning. You are pretty sure you aren't going to have guests drive in.

Mr. Charles Harrison was a guest of Mr. Warren Sedore on Sunday.  
Mr. and Mrs. C. Mitchell are able to get The Star to us for which we are thankful.  
Last Sunday was such a lovely day that even the married couples were out walking.

Mrs. Bertie Sedore was visiting Mrs. Francis Sedore last week.  
We are all glad that Linda Mae is doing fine after her recent illness.  
Mr. and Mrs. William Macnamara were up to their home here but were not able to get in because of the water all around it.

Mr. Willson, the gentleman who has located on the eighth con., has returned to his place there. He was out west and for a while in Hamilton.

Miss Gertie Sedore was out driving on Saturday.

Miss Ina Vokes spent the weekend at Brown Hill.  
Mr. Reford Sedore's racoons have gone away. We hope they return soon.

Mr. and Mrs. Alf Vokes and Fay spent Sunday in Brown Hill.  
Mr. John Chappel, Jr., is now home for awhile.

We are glad Mrs. Chappel will not be having an operation as previously reported.  
John Warren was home last Monday.  
Mr. and Mrs. Erwin Hillis were guests of Mrs. C. Mitchell on Sunday.

Mr. J. E. Mitchell visited at the home of Mr. and Mrs. Warren Sedore on Sunday.  
There was no Sunday-school or church due to bad roads. We hope Mrs. Bosko's mother is fully recovered so that Rev. and Mrs. Bosko are again with us.

SERVING CANADIANS THROUGH CHEMISTRY

**"Chemistry?"**  
IT'S MY GREATEST ALLY!

THE DOCTOR is the one man who sees below the surface, who knows from first-hand experience what Chemistry means to health and to our general well-being.

Aside from its great work in water purification through chlorine and in disease prevention through pest destruction, it helps the medical man in countless other ways.

Chemistry produces light-conducting "Lucite" to be fashioned into instruments for internal examinations; X-Ray film, and chemicals for developing it; skin-grafting cement; sutures of nylon monofilament; cellulose sponges; anaesthetics and many other medical and surgical aids.

Yes, Chemistry is with us everywhere, ever seeking and finding new methods and materials. The C-I-L oval is the symbol of an organization devoted to serving Canadians through chemistry.

FOR INSTANCE  
**X-RAY FILM**  
X-Ray films, so vital to modern medicine and surgery are a product of Chemistry as are, of course, the chemicals used to develop them. Hundreds of doctors and hospitals use X-Ray films supplied by Canadian Industries Limited, Head Office, P.O. Box 10, Montreal.

**CANADIAN INDUSTRIES LIMITED**

Christ church was beautifully decorated with snapdragons on Easter Sunday, some special ones being placed on the altar by the family of Mr. and Mrs. Gritten in memory of Mrs. Gritten's mother, Mrs. Ada Ineson, who died last December. After the service, the flowers were given to the sick members of the parish. The anthem was sung by Mrs. Marchant, Mr. and Mrs. Gerry Black and Mr. Ed. Williams, the other members of the choir joining in the chorus. It was heart-warming to see so many members of the congrega-

tion present. We hope they will continue to worship regularly with us. There was also a good response to the call for "Food for Britain."

Master Henry and Miss Lois Marchant are visiting relatives in Schomberg and Tottenham for the Easter holidays.

A party is being held on Wednesday, April 7, in the parish hall at Kettleby for Mr. and Mrs. Bruce Munshaw who were married recently.

Service will be held at the usual hour of 3 p.m. on Sunday at Christ church.

A euchre will be held in S.S. No. 11 Friday, April 9, sponsored

by the Community Club. Good prizes and refreshments. All are welcome.

## W.M.S. MEETING APRIL 8

Newmarket—On April 8, the regular monthly meeting of the Afternoon Auxiliary of the W.M.S. of Trinity United church will include the making of quilts promised for the missionary bazaar, which will be forwarded next month. An interesting program will be given, and afternoon tea will be served. Any one interested in this work will be welcome.

Bruce Denton Payne, son of Mr. and Mrs. Norman C. Payne, Maple, celebrated his third birthday on Wednesday, March 24.

## KETTLEBY

Sunday, April 4, is Layman's day at Kettleby United church. Guest speaker is Mr. H. B. Balmer, layman, Toronto. Soloist will be Mrs. Johnson. A singing will be led by Mr. Frank Curtis. Mrs. R. Marshall is organist, Mrs. Herb Webster, pianist, Mr. Carl Black, violinist. Service will be directed by Mr. R. Marshall assisted by W. Hodgson.

A new case of books of the travelling library has arrived. These books are available to any member of the community free of charge. They may be obtained from Mrs. Harry Burns, secretary of Kettleby Women's Institute.

At Kettleby United church, Sunday, March 28, the choir sang special Easter music and Mrs. E. Hobbs favored all with her rendition of The Holy City.

Visiting at the home of Mr. and Mrs. W. Keetch was their daughter, Miss Betty Keetch, and their niece, Miss Grace Stevenson, both of Toronto. A very enjoyable weekend was spent.

The observance of the Easter festival is one that will be long remembered by the United church. In the morning a record crowd was present. The church was artistically decorated with potted flowers and Easter lilies. The Easter music rendered by the choir under the leadership of Mrs. Angus Cowieson was lovely. The soloist, Miss Mary Morton, sang "How beautiful are the feet of those," from the "Messiah."

Rev. Brown gave the message on "Christ, the Champion of Personality."

The evening service was entirely musical. The Junior choir deserve special mention. They sang "Christ, the Lord is Risen Today," with Miss Pat Donnell singing the duet. Then the congregation was treated to the recordings of Handel's "Messiah," by Mr. Brown. Altogether Easter was a day to be long remembered by everyone who attended.

## Snowball W.I. Euchre Aids Legion Fund

Exemplifying the good neighbor spirit, Snowball Women's Institute held a successful euchre and draw on Tuesday night in aid of the building fund of Aurora Branch 385, Canadian Legion. While full returns are not as yet available the event was one of the largest and most enjoyable staged in the district in some years. It is understood that Kettleby Women's Institute and one or two district organizations are planning to raise money for the Legion's project

tended our services.

On April 23, the Scout mothers will present two plays in Belhaven hall.

Don't forget the supper of the W.A. on April 14 with its entertainment of the Lever Bros' Pageant of Fashions.

in grateful remembrance of the contribution made by district ex-servicemen. The Legion's campaign for funds still continues and is meeting with growing success.

## DOWN THE CENTRE

With AR HULSE

Aurora Flyers bowed out of the O.H.A. junior C race last Friday at Oshawa before the finished play of Gananogue juniors. The winners looked impressive in victory and should bring Eastern Ontario its first junior C championship. The critics say Puffy O'Hearn's team was greatly improved from the one which fell before Victoria Square in three games last season and it is interesting to note that the Gans hold wins over Inkerman juniors, presently playing Halifax St. Mary's in the Memorial Cup series, and Kingston Vics, eliminated from the B series by Upper Canada College.

Aurora juniors need not feel badly about two losses to the green and white clad easterners, most of whom are in their last year of junior hockey, for in defeat they covered themselves with glory by their game efforts. The breaks went against the Aurora kids, but it was the timely thrusts of the winners that made the difference. Gananogue were opportunists and knew what to do at the right time and after time it was Eric Smith who held the teams on even keel. Nothing can be gained by delving into the land of "what might have been". Probably the biggest contributing factor to the Aurora defeat was the lack of good opposition all year. You can't learn good hockey playing against weak opposition and once the Square was elevated to B hockey the competition fell out of the local group. Penalties all year, too, were a bugbear to the Aurora kids. You can't win in the sin-bin. Fortunately, the boys will have some tangible mementoes for the season as they ended in blue ink and the club is on the co-operative basis. The cut in Oshawa on Friday exceeded the best amount the local lads received at Aurora arena over the season. Messrs. Leonard Simmons, Earl Attridge, Jack Bowser, Jr., Gordon Stout, Stewart Patrick and other team backers can take a bow for their efforts over the year—the Flyers were a credit to Aurora.

Human interest stories arising from the Gananogue win include that of Bud Brown, one of the stoutest Gananogue players. Brown has been wearing an unlauded sweat shirt every game and his mates made sure that he didn't mislay it for the Aurora series. The only game the team lost this season was against Lindsay and "The Rocket" turned up with his sweat shirt missing. Brown, incidentally, trains on steak and apple pie as his pre-game meal. Bingey Jackson, the youngest player on the Gananogue forward line, still chews bubble gum on and off the ice and amuses his mates at the rest periods by blowing bubbles.

Bill Boychoff will try out for Guelph Biltmores next winter and Ron Simmons, after offers from Galt, Guelph and Barrie Flyers, will go to Barrie next fall for the acid test with the junior A champions. Jack Andrews, who like Simmons, still has two more years of junior hockey left, will also get a whirl with the Flyers. In the Gananogue series Andrews played his best hockey of the year and he appears to be recovered from the hard luck that has pursued him most of his hockey days. Coach Bill Capel will resume his track and field training and will be candidate for the Canadian Olympic team in the pole vault event. Capel, who has been on Owen Sound, is said to be able to do better than 13' with ease. He's also good at other field events.

Rumor has it already that Aurora will enter the intermediate field next winter with Eric Smith, Loring Doolittle, Mike Brinks, Norm Nigh, Dave Hopper, Howard Patrick, from the juniors, as a nucleus. Alf Childs of Hoffman's, Bill Capel, Doug Clark, Frank Gregoire, Whitey Jones, Alf Cotey are others on hand to round out the squad. They could get B rating. More rumor has an all-homebrew team ready to go next winter with Billy Attridge, Bill McGhee, Bill Patrick and Tommy Brodie forming the foundation of a fine club and possibly Simmons and Andrews, if they fail to stick in higher company. The juveniles can provide some good recruits. Meanwhile, we'll await the cry of "play ball."

## Aurora Bowlers Bring Season To End

The Aurora Bowling league brought their season to a successful close with a banquet and prize night at Dal-Har Grill. Officers elected for 1948-9 are: pres., Alf Morrison; sec., Ed. Dailey; treas., Douglas Harrison. The James Wilson trophy was presented to George Brown, captain of the league winners, the Hot-Shots, by Ben Harrison. T. A. M. Hulse was guest speaker and presided over the election of officers. From the pool money contributed by the members, Hot-Shots drew \$4 each, Hoosiers \$3 each, Flyers \$2 each, and Counter-Hoppers \$1 each. Pin-boys Bob Bunn and Bob Stephens each received recognition from the group for their services. Les Beazer was chairman, and the retiring officers, Mr. Beazer, Cliff Chapman and George Brown, all received praise for their fine work.

The teams were: Hot-Shots, capt., George Brown, Leslie Beazer, Gordon Smith, George MacFarlane, Fred Coon, Roy Deavitt; Hoosiers: capt., Cliff Chapman, Herb Holman, Alf Cotey, Alf Morrison, Jack Mitchell, Norman Scott. Flyers: capt., Andre Clermonte, Howard Patrick, Ed. Dailey, Ed. Simpson, Jim Wilson, Bill Ham; Counter-Hoppers, capt., Jim Murray, Norman Egan, Guy Watson, Mac Fowler, Doug Harrison, Leonard Rose.

### Commission Officers At S. A. Services

Newmarket—On Easter Sunday, Major and Mrs. W. Hillier, Toronto, conducted the morning and evening services at the Salvation Army Citadel. Noreen Kirbyson and Doris Chambers were awarded first class certificates for their Bible studies at the evening service and an enrolling of soldiers was held also. The local officers, Mrs. Harry Glenn, Mrs. Beatrice Pemberton, Mrs. Roy Kirbyson, Carl Woodruff and Russell Roblin, were commissioned for the present year during the evening service. The pastors of the Free Methodist church, the Gospel Tabernacle and the Church of the Nazarene joined with the officers of the Salvation Army in a sunrise service at the Citadel on Easter Sunday. All the services were well attended.

For the balance of the season, informal bowling will continue with the group with the cup series being resumed on Wednesday afternoons in the fall. The scores found all teams evenly lunched and Counter-Hoppers, who got off to a poor start, just about reached the leaders at the close of the year.

## Flyers Reach End Of Play-off Trail

Aurora Flyers reached trail's end last week as Puffy O'Hearn's smartly coached Gananogue machine came from behind in sensational rallies to snatch victories twice in a row from the hard-fighting Aurora juniors. It was 3-6 in the first game at Belleville, and 5-4 in overtime at Oshawa for the "Gans" who now are engaged in the junior "C" finals, and on their showing, should give Eastern Ontario its first junior championship. Individually, the Aurora boys were every bit as good as Gananogue. Collectively, the easterners had better puck savvy, played for the breaks, and reserved their best efforts for the right time. It takes nothing away from the winners to say that while they were a bit smoother than the losers, it still required that fickle jade, Lady Luck, to give them the edge. Most fans think the best team on the two games won out, and that takes nothing from the Flyers who were a credit to North York and themselves on and off the ice.

Penalties played their part in the series, Aurora drawing nine, to four games. Gananogue in the two games. Aurora played a more rugged game, and the penalties in the first game especially, down 4-1, drew even and went on to win. The penalties at Oshawa took a toll on the rest of the players left to defend their goal, and while they didn't figure directly in the scoring, they did contribute to the loss. "Mo" Walsh of Newmarket, and "Speedy" St. Louis of Belleville handled the first game and Bill Morrison of Oshawa and Ab. Grant of Toronto the second and being human they doubtless made mistakes, but the referees can't be blamed for the losses.

Curiously enough, it was Ron. Anderson of Gananogue who was the pinch-hitter for his team in both games. The substitute forward scored what proved to be the winning goal in Belleville and the pay-off goal in the overtime at Oshawa. He led both teams in scoring points in the scoring, winger Bud Brown also gathered three goals, and blond Jerry Hudson, who played both forward and defence, along with pivot player, Vin. Keyes, contributed greatly to the success of the Gans. Goalie Norman Parrish played goalies if not spectacular hockey, by Jack Munden. "Hummer" Campeau, and Hudson throughout. Except for the two regular defencemen, every player on the winning side hit the score sheet.

"Long Jawn" Andrews and Bill McGhee, who have not been in the "three-star" class many times over the season, both played spectacular hockey for Aurora in both games. Andrews fired home three goals in Oshawa and was outlunched on numerous occasions at Belleville. McGhee came back to the form of two years ago when he gave great promise. The reliable Ron. Simmons while closely checked on every move, was a constant threat every time he got the puck.

At all times, Captain Loring Doolittle worked himself into the ice in both games and he played two-way hockey all the way. Billy Attridge was another who looked mighty good, and Dave Hopper, the rugged winger of the third line, aside from a good defensive display, garnered two timely goals. Eric Smith was a regular stone wall throughout the series and only the first goal at Belleville could be called "soft." Smith stopped the proverbial million, but he faced marksmen who knew what they were doing with the rubber and he hadn't a chance on the winning counters. In the overtime at Oshawa, Smith was pulled from the ice in the final two minutes as Gananogue failed to score as Jack Andrews filled the gap. Flyers just failed to check for the tying goal.

You'll go a long way before you see two better junior "C" clubs, more evenly matched, and game to the end. The Flyers can carry their heads high in defeat.

### GANANOQUE 3, FLYERS 6

After Hudson had drifted a long shot past Eric Smith, Aurora swarmed around the Gananogue net and took the lead on goals by Boychoff from McGhee, and Simmons from Doolittle, in the first period. Patrick and Hopper increased the lead to 4-1 with quick goals as the second period opened and it looked like a question of how big the Aurora margin would be. With McGhee in the penalty box the Gans swept back into the picture on goals by Anderson and Hudson and when Boychoff was chased Bud Brown put them ahead.

In the third, Atkins counted on a brilliant play at 1:40. Doolittle got that back at 5:03. With the odd man advantage, Jackson and Anderson fired home two more quickies and from there in, the green and white were content to let Aurora carry the play. Bill McGhee finally scored on Attridge's pass at 12:37 and neat work by Parrish kept Aurora at bay the rest of the period. Brown made it certain as he scored on a breakaway at 18:25. While he didn't score "Toots" Fair was one of the big cogs in the Gananogue win.

### GANANOQUE 5, FLYERS 4

With over 500 Aurora fans in attendance, Aurora drew first blood at 3:52. Gananogue outshot and outskated Aurora in this period and were aided by three Aurora penalties. Vin. Keyes tied the count at 13:34 and Eric Smith was hard pressed to keep the score even. Jack Andrews put Aurora ahead at 45 seconds of the middle session as he took Doolittle's relay. "Bingey" Jackson tied the count again after Hudson had carried the length of the ice. Brown put the Gans ahead at 7:49 and from there in Aurora carried the mail with vigorous scoring thrusts that just missed. Andrews finally hit the jackpot at 17:43, but Atkins put the easterners ahead at 19:17 as Flyers were caught up the ice

## Recreation Commission Prepares For Summer

Newmarket — The Recreation Commission is getting its summer program under way and members of baseball clubs have been asked to the next meeting, Tuesday, April 6, at 7:30 p.m. The commission wants all interested organizations to send representatives to this meeting.

### CONTINUES AS CORONER

In announcing the appointment of Dr. D. B. Westcott as coroner in last week's issue, it stated he would succeed Dr. L. W. Dales. The latter part of this item is in error as Dr. Dales continues as a coroner.

### And Smith hadn't a chance.

Aurora again outshot Gananogue in the third period but only one goal resulted. Andrews getting his third tally of the night at 2:50. Two Aurora penalties aided the Gans in bogging down the Aurora attack at a time when it was redhot.

In the overtime, Gananogue let Aurora put on the pressure and were content to check assiduously and break as opportunity presented itself. Anderson finally outplayed the Aurora team to bang home the winner at 5:55. With two minutes left, Smith was benched and six forwards put on a great drive that deserved a better fate. Gananogue broke away twice towards the empty net, but Andrews made the saves.

## SCOUT NEWS

The regular meeting of the Newmarket Boy Scout troop will be held on Thursday. On Good Friday, 17 boys and Scoutmaster Alf. Peel went on a hike. The boys had a good time and spent the day passing tests. One of the boys, John Thompson, was bitten on the lobe of the ear by an accompanying dog. First aid was administered by Mr. Peel. John was assisted by Troop Leader Doug. Cockburn to a nearby farmhouse and a taxi was called to take him to the hospital. John has now recovered.

The patrol leaders and their seconds attended a bronze arrowhead course at York Mills where an enjoyable day was spent.

### MOVING DAY

Newmarket — It was moving day last week. Norman Sedore moved to his new apartment at North Main St. Bruce Sedore moved to his father's former residence and Jonas Sheppard and family moved to where Bruce had been living. Grant Sedore and Walter Fletcher also exchanged living quarters.

Wilfred Travis moved from Prospect St. to Botsford St.
